Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code:

Allegation: The program staff does not supervise children in their assigned group by sight and hearing.

Determination: Substantiated

Findings: Based upon the investigation, the alleged rule violation was unable to be determined due to the lack of evidence found through interviews with childcare staff members and administrator and classroom observations.

Risk Level:

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Allegation: The program staff does not supervise children in their assigned group by sight and hearing.

Determination: Substantiated

Findings: During the inspection, it was determined that children were not being properly supervised as noted in number(s) 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: (Staff were on cell phone and not supervising children.)

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Corrective Action Plan Due: 06/26/2022

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment
Code: The program is required to follow the cleaning schedule for equipment.

Allegation: The program does not provide a clean and healthy environment

Determination: Substantiated

Findings: During the inspection, it was determined that the program was not providing a clean and healthy environment, furniture, materials and equipment as required by Appendix A, as noted in number(s) 11 below:

1. The changing table was not sanitized after each use.
2. Reusable cloths were not being cleaned daily or when visibly soiled.
3. Dividers were not cleaned when visibly soiled.
4. The food prep areas were not being cleaned and sanitized before and after food prep.
5. The food prep areas were not being cleaned and sanitized between preparing raw and cooked food.
6. Toilet seat(s), handle(s) and toilet bowl(s) were not being cleaned when visibly soiled and sanitized.
7. The sinks were not clean.
8. Diaper receptacles were not being cleaned and sanitized.
9. Potty chairs were not emptied and/or cleaned and sanitized after each use.
10. Wastebaskets/trash receptacles/rinse buckets were not being cleaned and sanitized when visibly soiled.
11. Other (Tables, Floors and walls.)

Furniture, materials and equipment must be maintained according to the cleaning and sanitizing schedule in Appendix A to this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
