Department of Children & Youth

Complaint Inspection Summary Report

All licensed early care and education programs are inspected at least once each year. Non-compliances are documented and grouped by risk level. Documenting statements, technical assistance provided and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the Department of Children & Youth website at https://childcaresearch.ohio.gov/ . This includes complaint investigation reports with substantiated allegations. For any other early care and education records, please contact the Family and Customer Support Center at 1-844-234-5437.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5180:2-12-03, 5180:2-13-03, 5180:2-19-10 and 5180:2-20-02 detail the process for submitting a request for review. The request for review must be submitted within ten business days from the receipt of the licensing report. In addition, if the program is Step Up To Quality rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain: 09 Children's Files

Rule: 5180:2-12-15 Child Record Requirements
Code:

Allegation: The complainant alleged that child files and child information was not kept confidential as required

Determination: Unable to be determined

Findings: During the investigation staff reported that confidential information is never shared. The program provided the confidentiality policy in the program handbook, and reposted that it is followed. Due to the differing accounts from the complainant and program staff, the alleged rule violation was unable to be determined.

Serious Risk Non-Compliances

A serious risk non-compliance is a licensing rule violation that has the potential to lead to a great risk of harm to a child and is observable and/or based on facts.

No serious risk non-compliances were observed during this inspection

Moderate Risk Non-Compliances

A moderate risk non-compliance is a licensing rule violation that has the potential to lead to an increased risk of harm to a child and is observable and/or based on facts.

Domain: **01 Ratio & Supervision**
Rule: 5180:2-12-19 Supervision
Requirement: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.
Finding: During the inspection, it was determined that children were left unattended while inside the program. The following was observed: a preschooler and a schoolage child were observed to be alone in the schoolage classroom with no teacher. The teachers reported having the preschooler sleep in the schoolage room to prevent him from bothering the other children.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
Corrective Action Plan Due: 12/03/2026

Other Non-Compliances

This section includes other rule violations that are observable and/or based on facts.
No other non-compliances were observed during this inspection
