

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances
No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances
Domain: 01 Ratio & Supervision
<u>Rule:</u> 5101:2-12-19 Supervision <u>Code:</u> The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.
<u>Finding:</u> During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:
1. Children were left unattended once. (3's room)

2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training.

Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 16 children was determined to have occurred for the 4's group when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a

statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program staff is required to administer medication following the instructions on the JFS 01217 "Request for Administrator of Medication for Child Care" form or attached prescription label.

Finding: "During the inspection, it was determined the program had administered medication to a child and the written instructions on the JFS 01217 "Request for Administration of Medication for Child Care" form or attached prescription label were not followed as noted in number 4 below:

1. Medication had been administered to a child at the center at a different time than directed.
2. Medication was administered to a child for a longer or shorter period of time than directed.
3. The dose administered did not match the dosage required by the manufacturer's directions.
4. The dose administered did not match the dosage required by the written physician's instructions or the prescription label.
5. A child was administered the wrong medication provided to the program for that child.
6. Other: [].

Provide training to the staff designated to administer medication that the parent's and physician's instructions on the prescribed form, as well as instructions on the prescription label, must be followed to avoid over or under medicating a child. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule."

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 "Child Medical/Physical Care Plan" for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan" must be on file for any child having health conditions which require monitoring for symptoms or a medical procedure be performed at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number 1 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Symptoms to watch for were missing.
6. Action to be taken if symptoms to occur were missing.

7. Activities/foods/environmental conditions to avoid, if applicable, were missing.
8. Medical procedures to be followed were missing.
9. Expected benefit was missing.
10. Name of any applicable medication was missing.
11. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
12. Instructions regarding emergency evacuation, if applicable, were missing.
13. Training instructions were missing.
14. Dated signature of parent or certified professional who trained the program staff was missing.
15. Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
16. Directions regarding additional services, if applicable, were missing.
17. Dated signature of parent giving permission to perform the procedure was missing.
18. Dated signature of program administrator was missing.
19. The plan was not implemented.
20. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236 "Child Medical/Physical Care Plan", to the Department to verify compliance with the requirements of this rule.
