

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

**Summary of Non-Compliances**

*If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.*

**Serious Risk Non-Compliances**

**No Serious Risk Non-Compliances were observed during this inspection**

**Moderate Risk Non-Compliances**

Rule: 5101:2-12-15 Medical/Physical Care Plans  
Code: The program is required to have staff trained to perform the procedures on the JFS 01236 "Child Medical/Physical Care Plan" present at the program when the child requiring the procedure is onsite. The program staff that are trained to perform the procedures listed on the JFS 01236 "Child Medical/Physical Care Plan" are to be the only staff permitted to perform the procedures.

Finding: During the inspection, it was determined a child with a condition that required a medical/physical care plan had been present and the program did not meet the requirement(s) noted in number(s) 1 below:

- None of the child care staff members trained in the procedures on the medical/physical care plan were onsite when a child requiring the plan was present.

2. Child care staff members trained in the procedures on the medical/physical care plan were not scheduled to be present the entire the time the child requiring the plan was onsite.
3. None of the child care staff members trained in the procedures on the medical/physical care plan accompanied the child requiring the plan during a trip.
4. A child care staff member who had not been trained in the procedures on the medical/physical care plan performed the procedure.
5. Other: [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, albuterol inhaler, was within the reach of children in the school age room, in that a school age child had the medication in their book bag and the book bag was laying on the floor by a group of children. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication, food supplement or medical food to a child as noted in number(s) 19 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.

3. The child's date of birth was missing on the JFS 01217.
4. The child's weight was missing on the JFS 01217.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The Parent/Guardian's dated signature was missing on the JFS 01217.
10. Possible side effects were missing on the JFS 01217.
11. Expiration date was missing on the JFS 01217.
12. Physician instructions were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A current prescription label was not attached to the prescription medication.
20. The medication or product, [ ], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-02.2 Transitional Pandemic Requirements

Code: The program is required to ensure all administrators, employees, child care staff members and school-age children wear a face covering while indoors, unless not medically or developmentally appropriate.

Finding: During the inspection, it was determined that the program did not follow the requirements for wearing face coverings as noted in number(s) 2 below:

1. At least one administrator, child care staff member or employee did not wear a face covering while indoors and it was medically appropriate for the individual to wear a face covering.

2. At least one school-age child did not wear a face covering while indoors and it was medically and developmentally appropriate for the individual to wear a face covering.
3. At least one individual's face covering did not cover their nose and mouth.
4. At least one child under two years old wore a face covering.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Rule:** 5101:2-12-02.2 Transitional Pandemic Requirements

**Code:** The program is required to ensure safe health practices to prevent the spread of COVID-19.

**Finding:** During the inspection, it was determined that the program did not follow the requirements for ensuring safe practices to prevent the spread of COVID-19 as noted in number(s) 1 below:

1. At least one administrator, employee, child care staff member or child was not assessed for temperature and the symptoms listed in appendix A to this rule prior to, or as soon as they arrived each day.
2. The program did not immediately send home any child, administrator, child care staff member or employee who had a temperature of one hundred degrees or higher.
3. The program did not immediately send home any child, administrator, child care staff member or employee who had at least one symptom listed in appendix A to this rule and had known contact with someone confirmed or suspected to have COVID-19.
4. An individual was allowed to return to the center prior to being fever free without the use of fever-reducing medication for at least twenty-four hours.
5. An individual who had a temperature of one hundred degrees or higher, or had at least one symptom listed in appendix A to this rule, and had known contact with someone confirmed or suspected to have COVID-19 did not complete isolation or quarantine procedures for COVID-19 in coordination with the local health department, or in compliance with the Ohio Department of Health and CDC guidelines, prior to returning to the center.
6. Other: [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Rule:** 5101:2-12-07 Administrator Responsibilities/Requirements

**Code:** The program is required to have the current rules available in a noticeable area.

**Finding:** During the inspection, it was determined the current licensing rules were not available or available in a noticeable area on the premises, in that the most recent transmittal letters #26-30 were not available. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-07 Administrator Responsibilities/Requirements

**Code:** The program administrator is required to be onsite at the program for the required amount of time.

**Finding:** During the inspection, it was determined that the program did not have at least one administrator onsite for 50 percent of the program's operating hours or 40 hours a week, as required by this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-08 Medical Statement

**Code:** The program staff medicals are required to include all information.

**Finding:** In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number(s) 3c:

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
  - a. Physically fit for employment in a program caring for children;
  - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
  - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
  - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;

- b. Results of a TB test for employees meeting both criteria in 4a;
- c. Results of additional testing for employees with a positive TB test;
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
