

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Allegation: Due to a lack of supervision a group of toddlers were able to leave the playground and into the parking lot.

Determination: Substantiated

Findings: During the inspection, it was determined that children were not being properly supervised as noted in numbers 4,5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond before a toddler squeezed through a space between the fencing and retaining wall and onto the sidewalk.
5. Children were able to exit the playground into the parking lot before staff members noticed.

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Child Guidance

Code: The program staff shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Allegation: A child care staff member aggressively grabbed a toddler by the arm to direct him away from a situation which caused the toddler to fall to the ground.

Determination: Substantiated

Findings: During the inspection, it was determined that a child care staff member used a discipline technique to guide or discipline children that was not developmentally appropriate, consistent, or occurred at the time of the incident in that a CCSM moved a child in a manner that was rough and caused the child to fall to the ground. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in numbers 2,7 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had an opening through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/28/2023

Low Risk Non-Compliances

Domain:05 Health & Safety

Rule: 5101:2-12-16 Incident/Injury Reporting

Code: The program is required to complete the JFS 01299 "Incident/Injury Report" for injuries and incidents at the program, provide a copy to the person who picks the child up on the day of the incident, and retain a copy of the form onsite at the program for one year.

Findings: In review of the records, it was determined the program did not meet the requirements for completing a JFS 01299 "Incident/Injury Report" as noted in number 4 below:

1. The JFS 01299 was not completed when a child became ill or received an injury which required first aid treatment.
2. The JFS 01299 was not completed when a child was transported to a source for emergency assistance.
3. The JFS 01299 was not completed when a child received a bump or blow to the head.
4. The JFS 01299 was not completed when an unusual or unexpected incident which jeopardized the safety of a child or employee of a program.
5. The parent or a person picking up the child did not receive the JFS 01299 on the day of the incident.
6. The program information (program name, number, address) was incomplete on the JFS 01299.
7. Child's name was incomplete on the JFS 01299.
8. Child's birthdate was incomplete on the JFS 01299.
9. Name of person(s) responsible for the child at the time of the incident was incomplete on the JFS 01299.
10. Number of children present in the group at the time of the incident was incomplete on the JFS 01299.
11. Date and/or time of the incident was incomplete on the JFS 01299.
12. Whether or not parents were contacted was incomplete on the JFS 01299.
13. Complete summary of the incident was incomplete on the JFS 01299.
14. Accurate summary of the incident was incomplete on the JFS 01299.
15. Name and/or signature of the person completing the form was incomplete on the JFS 01299.
16. The JFS 01299 was not kept on file at the program for at least one year.
17. Other [].

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Corrective Action Plan Due: 10/28/2023

Domain:05 Health & Safety

Rule: 5101:2-12-16 Incident/Injury Reporting

Code: The program is required to submit notification of a serious incident in OCLQS by the next business day.

Findings: During the inspection, it was determined that a Serious Incident was not reported in the Ohio Child Licensing and Quality System (OCLQS), as required, by the program administrator or designee for an incidents as listed in number 2 below:

1. An incident, injury or illness that required professional medical consultation or treatment.
2. An unusual or unexpected incident which jeopardizes the safety of a child, child care staff member or employee of the program in that toddlers were able to leave the playground on two separate occasions.
3. An incident defined as a serious risk non-compliance in appendix A to rule 5101:2-12-03 of the Administrative Code.
4. The program did not submit the report in OCLQS by the next business day as required by rule.

Submit the program's corrective action plan, which includes a statement that the program administrator or designee has completed the Serious Incident Report in OCLQS, to the Department to verify compliance with the requirements of this rule.
