All licensed child care providers are required to post, at a minimum, all substantiated complaint investigation allegation findings, as well as all regular inspection findings, in a conspicuous place at the center/ type A home. For complete records of child care licensing inspections and complaint investigations, including all allegations, please contact the Child Care Help Desk at 1-877-302-2347 option 4, or the child care website at <http://jfs.ohio.gov/CDC/childcare.stm> for a public records request.

Note: All Findings/Corrections printed in **RED** are considered serious risk violations. Documenting Statements, Supplemental Information and Rationales may be included in this report; this information is provided for technical assistance, and may not be associated with any Out of Compliance items. A serious risk noncompliance finding may impact a quality-rated program's SUTQ rating.
