

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in number(s) 8, 10 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation and Field Trip Procedures

Code: The program is required to take all required safety and health items on trips.

Finding: During the inspection, it was determined that all required items were not taken on a field trip and/or routine trip as determined in that the item number(s) 2 below was missing:

1. Completed copies of the JFS 01234 "Child Enrollment and Health Information For Child Care" (except routine walks);
2. First aid supplies;
3. A working cellular phone or other means of immediate communication (not to be used while a vehicle is in motion);
4. Written record of children on the trip, including which vehicle each child is being transported in and the cellular phone number of the adult in that vehicle who could be contacted in an emergency.

Provide staff training. Submit the program's corrective action plan, which includes a written plan that ensures these safety guidelines will be met when children are transported, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have staff complete training in child abuse and neglect recognition and prevention within sixty days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed training in child abuse and neglect recognition and prevention as noted in number(s) 2 below:

1. The training was not completed within sixty days of hire.
2. The training was expired, as it is only valid for two years.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete training in child abuse and neglect recognition and prevention. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
