

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Children were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.

8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2021

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that Child Care Staff Members had sole responsibility of children and the JFS 01176 "Program Notification of Background Check Review for Child Care" was not on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the Child Care Staff Members no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to store medication out of the reach of children.

Finding: During the inspection, it was determined that a medication, cough drops, was within the reach of children in the infant room. All medications must be stored out of the reach of children. Create procedures that assure medications will always be inaccessible to children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2021

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement for administering a medication, food supplement or medical food to a child as noted in number 1 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217.
4. The child's weight was missing on the JFS 01217.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The Parent/Guardian's dated signature was missing on the JFS 01217.
10. Possible side effects were missing on the JFS 01217.
11. Expiration date was missing on the JFS 01217.
12. Physician instructions were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2021

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in numbers 4 and 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 08/22/2021

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-20 Cots and Napping

Code: The program is required to provide sufficient lighting when the children rest, nap, or sleep.

Finding: During the inspection, it was determined that the area used when children rest, nap or sleep was not lighted sufficiently to allow child care staff visual supervision of the children at all times. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals in a place that is inaccessible to children.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was accessible to children as noted in numbers 2 and 11 below:

1. Cosmetics;

2. Disinfecting wipes;
3. Fish food;
4. Hand lotion;
5. Hand sanitizer (for children under 24 months);
6. Laundry detergent;
7. Powder dish washing soap;
8. Paint cans;
9. White out;
10. Potting Soil;
11. Other potentially hazardous substance; disinfectant spray and body spray.

The potentially hazardous substance was determined to be accessible to children in the following area: hallway and office.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.
