

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.

6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

A child care staff member went outdoors leaving three school age children unattended for approximately three minutes. School age children must be supervised and within sight and/or hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2021

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to have a second employee present, and used based on the qualifications they meet, when seven or more children are present.

Finding: During the inspection, it was determined that the program did not meet the rule requirement as noted in number 1 below:

1. The program did not have a second employee or Child Care Staff Member present when required;
2. The program was using a second Child Care Staff Member who was not able to meet this criteria as defined in the rule.

The program had seven (7) to nine (9) children present for three days the previous week with one child care staff member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2021

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in the meeting room where children had access to it, as noted in number 9 below.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.

4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.
7. Flammable substance.
8. Windshield washer fluid.
9. Aerosol cans.
10. A lawn mower.
11. A weed trimmer.
12. Hedge trimmers.
13. A snow blower.
14. Other potentially hazardous substance, equipment or machinery: [].

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2021

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 "Child Medical/Physical Care Plan" for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan" must be on file for any child having health conditions which require monitoring for symptoms or a medical procedure be performed at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number 1 below:

1. No plan was on file for a child that had asthma.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Symptoms to watch for were missing.
6. Action to be taken if symptoms to occur were missing.
7. Activities/foods/environmental conditions to avoid, if applicable, were missing.
8. Medical procedures to be followed were missing.
9. Expected benefit was missing.
10. Name of any applicable medication was missing.
11. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
12. Instructions regarding emergency evacuation, if applicable, were missing.
13. Training instructions were missing.

14. Dated signature of parent or certified professional who trained the program staff was missing.
15. Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
16. Directions regarding additional services, if applicable, were missing.
17. Dated signature of parent giving permission to perform the procedure was missing.
18. Dated signature of program administrator was missing.
19. The plan was not implemented.
20. The plan was not able to be implemented due to conflicting information.
21. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236 "Child Medical/Physical Care Plan", to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2021

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication, food supplement or medical food to a child as noted in number 1 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file for a child whose enrollment form stated that he needed an inhaler.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217.
4. The child's weight was missing on the JFS 01217.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The Parent/Guardian's dated signature was missing on the JFS 01217.
10. Possible side effects were missing on the JFS 01217.
11. Expiration date was missing on the JFS 01217.
12. Physician instructions were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.

19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated December 4, 2019. The rule requires that the program provide materials to correct non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Domain: 00 License & Approvals

Rule: 5101:2-12-02 License Posted

Code: The rule requires the license to be posted and visible to parents at all times.

Finding: During the inspection, it was determined the program's license was not posted. The license posted was for another program. The rule requires the program's license be posted in a place visible to parents. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements

Code: The program is required to have all children wash their hands as outlined in rule.

Finding: During the inspection, it was determined that at least one child in the School Age group did not wash his or her hands at the time listed in number 4 below, as required in rule:

1. Upon arrival;
2. After toileting/diaper change;
3. After contact with bodily fluids;
4. After returning from outdoor play;
5. After handling pets, pet cages, or other pet objects that have come in contact with the pet, before moving on to another activity;
6. Before eating or assisting with food preparation;
7. After water activities;
8. When visibly soiled (must use soap and water);
9. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to post the sign prohibiting any person from carrying a deadly weapon on the premises.

Finding: During the inspection it was determined that the sign prohibiting any person, other than law enforcement, from carrying a deadly weapon on the program premises, in accordance with section 2923.1212(A)(8) of the Revised Code, did not meet the rule requirements as noted in number 1 below:

1. The sign was not posted;
2. The sign was posted, but did not contain required information.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Daily Schedule

Code: The program is required to have the daily program schedule posted in all required areas.

Finding: During the inspection, it was determined that a copy of the daily program schedule for the morning program was not posted in the area as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to have the JFS 01201 "Dental First Aid" posted in a readily available area at the program.

Finding: During the inspection it was determined that the JFS 01201 "Dental First Aid" was not posted in a location readily available to center staff and parents as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post and implement the JFS 01242 "Medical, Dental, and General Emergency Plan" when necessary.

Finding: During the inspection, it was determined the requirements for the JFS 01242 “Medical, Dental, and General Emergency Plan for Child Care” were not followed as noted in number 2 and 3 below:

1. The plan was not posted by each telephone.
2. The plan was not posted in each classroom.
3. The plan was not posted in other spaces used by children.
4. The name, address and telephone number of the program were not complete.
5. The location of first aid kit, fire extinguishers and fire alarm system, fire alarm pull stations and electrical circuit box were not complete.
6. The telephone number for emergency squad, fire department, hospital, poison control program, public children services agency, local health department, local emergency management agency, and police department were not complete.
7. Location of children’s records was not complete.
8. Emergency information including any medications or supplies needed in the event of an evacuation was not complete.
9. The current version of the prescribed form was not used.
10. The plan was not implemented when necessary in that [].

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post the fire and weather plans.

Finding: During the inspection, it was determined that the following information was not posted for item numbers 1 and 2 below:

1. Fire alert plan, including a diagram.
2. Weather alert plan, including a diagram.

Submit the program’s corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/01/2021

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment
Code: The program is required to have quiet areas available.

Finding: During the inspection, it was determined that the program's environment did not provide for a quiet area for the School Age children. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment
Code: The program is required to have an area for children to store their belongings.

Finding: During the inspection, it was determined that the program did not have designated storage areas for children's personal belongings. The rule requires that an area be designated where children can individually store their personal belongings. This area shall not block walkways or evacuation routes. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment
Code: The program is required to have play materials accessible and orderly.

Finding: During the inspection, it was determined that play materials were not accessible/orderly for the following reason(s) as noted in number 1 below:

1. Play materials were not readily accessible to the School Age children
2. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Indoor Space Requirements

Code: The program is required to serve children in areas that are exclusively used for child care during the program's operating hours and will have the licensing capacity redetermined based on use.

Finding: During the inspection, it was determined that the program did not have exclusive use of the measured space during the program's hours of operation. The space the program is using is 270 square feet, space for 7 children. As a result, the program's license capacity will need to be re-determined to reflect the space currently available. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

3. Individually wrapped sterile gauze squares in assorted sizes.
4. Sterile adhesive bandages in assorted sizes.
5. Tweezers.
6. Gauze rolled bandage.
7. Triangular bandage.
8. Rounded end scissors.
9. Tooth preservation system or fresh chilled liquid milk in which to transport a lost permanent tooth, including a written reference indicating location of the refrigerator/freezer where milk is stored if a tooth preservation system is not part of the first aid kit (for programs serving school age children only).
10. A working digital thermometer.
11. Disposable non-latex gloves.
12. A working flashlight.
13. An instant cold pack that has not been activated or ice, including a written reference indicating location of the refrigerator/freezer where the ice is stored if an instant cold pack is not part of the first aid kit.
14. Sealable leak-proof plastic bags in assorted sizes or double bagged plastic bags that can be securely tied for materials soiled with blood or bodily fluids.
15. Pocket mask or face shield, appropriate for all ages of children in care, for cardiopulmonary resuscitation (CPR) administration.

16. Soap or waterless sanitizer (field trip or transporting away from the program only).
 17. Bottled water (field trip or transporting away from the program only).
 18. The program did not have a system to replace items as they were used, expired, damaged or sterile packages were opened.
- Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5101:2-12-16 Incident/Injury Reporting

Code: The program is required to notify the Department of a serious incident by submitting a JFS 01156 "Serious Incident Reporting for Child Care".

Finding: During the inspection, it was determined that a Serious Incident was not reported in the Ohio Child Licensing and Quality System (OCLQS), as required, by the program administrator or designee for an incident(s) as listed in number 5 below:

1. A child received a bump or blow to the head that required first aid or medical attention.
2. An incident, injury or illness that required a child to be removed by the parent or emergency services from the program for medical treatment.
3. A usual or unexpected incident which jeopardizes the safety of a child or employee of the program.
4. An incident defined as a serious risk noncompliance in appendix A to rule 5101:2-12-03 of the Administrative Code.
5. The program did not submit the report in the OCLQS by the next business day as required by rule. Staff stated that three children had tested positive for COVID-19 and that it had not been reported as required.

Submit the program's corrective action plan, which includes a statement that the program administrator or designee has completed the Serious Incident Report in OCLQS, to the Department to verify compliance with the requirements of this rule.
