

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

#### Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number(s) 16, 18, 19 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in number(s) 5 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 08 Staff Files**

Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements

Code: The program staff is required to have education documentation translated and shown as equivalent to a high school education.

Finding: In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.
