Rule: 5101:2-12-02 Current Information

Code: The rule requires the program to request an administrator amendment, and submit qualifications for a new administrator, within thirty days of the change.

Finding: During the inspection, it was determined that a change of administrator had been made and the owner or administrator had failed to provide notification of this change to the Department and/or submit qualifications for the new administrator within 30 days. A license is only valid for the licensee, administrator, address and license capacity designated on the license. Technical assistance was provided, and as discussed, submit the request to amend the license and any required documentation, if applicable, through the licensing system, OCLQS.

**Domain: 08 Staff Files**

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in numbers 2, 3, 4.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
  - a. Physically fit for employment in a program caring for children;
  - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
  - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
  - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
  - b. Results of a TB test for employees meeting both criteria in 4a;
  - c. Results of additional testing for employees with a positive TB test;
  - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
