

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 13 children was determined to have occurred for the Preschool group when the situation in number(s) 15 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other- the Preschool room was operating out of ratio.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/24/2022

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Fluid Milk Requirements

Code: The program is required to serve age-appropriate fluid milk or obtain written documentation when serving substitutions for fluid milk.

Finding: During the inspection, it was determined that required documentation for substitutions for fluid milk was not on file as noted in number(s) 3 below:

1. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants up to 12 months of age are served anything other than formula or breast milk.
2. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants and toddlers 12 months of age up to 24 months of age are served anything other than unflavored whole homogenized vitamin D fortified cow's milk, breast milk, or non-cow milk substitution that is nutritionally equivalent to milk.
3. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when toddlers and children 24 months of age and older are served anything other than unflavored one per cent milk that is vitamin A and D fortified, unflavored fat free or skim milk that is vitamin A and D fortified, or non-cow milk substitutions that are nutritionally equivalent to milk.
4. Written parental consent for non-cow milk substitutions that are nutritionally equivalent to milk for children 12 months of age and older.
5. The program did not have the type of milk on-site to ensure that all children were served age-appropriate fluid milk.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

#### **Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that the Toddler group was served whole grapes, which posed a choking hazard/was not appropriate for their age. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

#### **Domain: 08 Staff Files**

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 5, 6 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
