

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Moderate Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, a ratio of 1 child care staff member(s) for 7 children was determined to have occurred for the combined Infant and Toddler group when the situation in number(s) 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.

6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Findings: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 1 below:

1. Child(ren) were left unattended once. (Infant/Toddler group)
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/18/2020

Domain:04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Separation of Children Under 2 1/2 Years

Code: The program is required to separate children younger and older than 2 1/2 years of age.

Findings: During the inspection, it was determined that the Infant/Toddler combined group, which included children less than two and one-half years, also included a preschool-aged child. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 04/18/2020

Domain:07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to provide a safe and sufficient barrier to separate the play and sleeping space.

Findings: During the inspection, it was determined that the barrier between the play and sleeping space did not meet the requirements as noted in number(s) 1 below;

1. No barrier had been provided, a crib was placed in the play space area.
2. The barrier did not prevent the infants from entering the sleeping area.
3. The barrier was not safe.
4. The barrier was not sturdy.
5. The barrier impaired staff's ability to see and hear all sleeping infants in their cribs.
6. The barrier was inadequate.
7. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
