

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:05 Health & Safety

Rule: 5101:2-12-16 Management of Communicable Disease

Code: The program is required to notify parents of children exposed to a communicable disease by the end of the next day.

Allegation: The complainant alleges the program did not notify parents of children exposed to a communicable disease by the end of the next day as required by rule.

Determination: Substantiated

Findings: During the inspection, it was determined that parents were not informed by the end of the next day of program operation that their child had been exposed to a communicable disease, as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Risk Level: Low

Corrective Action Plan Due: 09/11/2021
