

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Department Inspection
Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) 7 below:

1. The [] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The [] room(s) occupancy had been exceeded. [] children were being cared for in this space that had been approved for [] children.

7. Care was provided to one child less than two and one-half years of age. This violated the program's building code limitation in that, the preschool room is only approved for children above two and a half years of age.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in room across from kitchen where children had access to it, as noted in number(s) 14 below.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.
4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.
7. Flammable substance.
8. Windshield washer fluid.
9. Aerosol cans.
10. A lawn mower.
11. A weed trimmer.
12. Hedge trimmers.
13. A snow blower.
14. Other potentially hazardous substance, equipment or machinery: (Paint Thinner)

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/09/2021

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 5,6,9 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The portable fencing approved for use by the Department was not being used.
9. Other (gates padlocked.)

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
