

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Approval
Code: The program is required to only use space approved by the fire department or the state fire marshal's office to serve children. The program is required to obtain a fire inspection within 12 months from the date of the last fire approval. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program had not obtained written approval from the local fire safety inspector or the state fire marshal as noted in number(s) 2 below:

1. The program had not been inspected and approved within 12 months from the date of the last fire approval and the request for the new inspection was not made at least 30 days prior to the expiration of the previous approval.
2. The fire approval had not been obtained due to violations.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire approval, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to have a second employee present, and used based on the qualifications they meet, when seven or more children are present.

Finding: During the inspection, it was determined that the program did not meet the rule requirement as noted in number(s) 1 below:

1. The program did not have a second employee or Child Care Staff Member present when required;
2. The program was using a second Child Care Staff Member who was not able to meet this criteria as defined in the rule.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/17/2021

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Space Requirements

Code: The program is required to have an outdoor play space free from immediate risk.

Finding: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a fence in good condition, or other barrier, that assured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number(s) 2 below:

1. The fencing had missing slat boards through which children could leave the playground.
2. The gate was broken and did not close.
3. The latch on the gate was broken.
4. The gate had no latch.
5. The fencing was broken.
6. The latch was easily opened by children on the playground.
7. The portable fencing approved for use by the Department was not being used.
8. Other []. Discontinue use of the playground and provide a space for outdoor play which is well defined by a fence or other barrier and protected from other hazards.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
