

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to follow the practices preferred by the parents.

Allegation: The complainant alleged that infant feeding instructions from the parent were not followed at the program

Determination: Substantiated

Findings: During the inspection, it was determined that the feeding practices used by child care staff members were not in accordance with parental preferences, in that the parent asked that only formula be served and a teacher fed the child 2 spoonfuls of baby food . Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance and submit a written response.

Risk Level: Low

Corrective Action Plan Due: 03/13/2022
