

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.*

#### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

#### Moderate Risk Non-Compliances

**Domain: 09 Children's Files**

Rule: 5101:2-12-25 Medication Administration and Food Supplements

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or had written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication, food supplement or medical food to a child as noted in number(s) 4, 7, 8 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.

10. Possible side effects were missing on the JFS 01217.
11. Expiration date was missing on the JFS 01217.
12. Physician instructions were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [ ], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 "Child Medical/Physical Care Plan" for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan" must be on file for any child having health conditions which require monitoring for symptoms or a medical procedure be performed at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number(s) 6, 9, 10 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Symptoms to watch for were missing.
6. Action to be taken if symptoms to occur were missing.
7. Activities/foods/environmental conditions to avoid, if applicable, were missing.
8. Medical procedures to be followed were missing.
9. Expected benefit was missing.
10. Name of any applicable medication was missing.
11. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

12. Instructions regarding emergency evacuation, if applicable, were missing.
13. Training instructions were missing.
14. Dated signature of parent or certified professional who trained the program staff was missing.
15. Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
16. Directions regarding additional services, if applicable, were missing.
17. Dated signature of parent giving permission to perform the procedure was missing.
18. Dated signature of program administrator was missing.
19. The plan was not implemented.
20. The plan was not able to be implemented due to conflicting information.
21. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236 "Child Medical/Physical Care Plan", to the Department to verify compliance with the requirements of this rule.
