

# **Center Licensing Inspection Full Report**

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <a href="http://jfs.ohio.gov/CDC/childcare.stm">http://jfs.ohio.gov/CDC/childcare.stm</a>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Rule: 5101:2-12-04 Building Department Inspection

<u>Code</u>: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

<u>Finding</u>: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 7 below:

- 1. The [ ] room or space was not approved.
- 2. Children under school age were being cared for in a building only approved for school age.
- 3. The space had been modified and not yet re-inspected and approved.
- 4. The [ ] floor, which had not been approved by the building department for child care, was being used.
- 5. The building limitation had been exceeded. [ ] children were being cared for and the building had been approved for [ ] children.
- 6. The [ ] room(s) occupancy had been exceeded. [ ] children were being cared for in this space that had been approved for [ ] children.
- 7. Care was provided to children less than two and one-half years of age. This violated the program's building code limitation in that, there was an infant in the space that had not been approved for children less than two and one-half years of age..

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

#### **Low Risk Non-Compliances**

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

<u>Code</u>: The program is required to have the information listed in rule on all attendance records.

<u>Finding</u>: During the inspection, it was determined that the attendance records did not include the required information listed in number 5 below:

- 1. The name of the child.
- 2. The birth date of the child.
- 3. The assigned group.
- 4. The child's weekly schedule.

5. The time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

Attendance was not being maintained for the Infant that was being cared for in the classroom.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-08 Medical Statement

<u>Code</u>: The program staff medicals are required to include all information.

<u>Finding</u>: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number 4a.

- 1. Date of examination:
- 2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
- 3. A statement that verifies that the employee is:
- a. Physically fit for employment in a program caring for children;
- b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
- c. Immunized against Measles, Mumps, and Rubella (MMR);
- 4. Tuberculosis (TB) screening/test
- a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
- b. Results of a TB test for employees meeting both criteria in 4a;
- c. Results of additional testing for employees with a positive TB test;
- d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
