

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

### Moderate Risk Non-Compliances

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child(ren) were left unattended once (staff member left group unattended to answer the door).
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.

5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

13. Time for medication/medical food to be administered was missing or not attached.
14. Expiration date for medication/medical food was missing or not attached.
15. Symptoms that require staff to administer medication/medical food were missing or not attached.
16. Specific instructions to administer the medication/medical food were missing or not attached.
17. Actions to be taken if the symptoms do not subside were missing or not attached.
18. Physician's signature was missing or not attached (the medication needed for a health condition was missing the prescription label and not Dr. signature was obtained).

19. The date of the physician's signature was missing or not attached.

(Page 3)

20. Child's name was missing.

21. Instructions regarding emergency evacuation, if applicable, were missing.

22. Signature of parent granting permission to implement the plan and verifying training was missing.

23. Date of parent signature was missing.

24. Certified Professional Trainer information was missing.

25. Signature of certified professional who trained the program staff was missing, if parent was not the trainer.

26. Date of trainer signature was missing.

27. Printed name(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

28. Signature(s) of child care staff member(s) who have received instructions for care and/or have been trained to perform the procedure were missing.

29. Date of staff signature was missing.

30. Administrator/Provider signature was missing

31. Date of administrator/Provider was missing.

(Page 4)

32. Child's name was missing.

33. Name of medication or medical food was missing.

34. Date the medication/medical food was administered was missing.

35. Time medication/medical food was administered was missing.

36. Dosage of medication/medical food that was administered was missing.

37. Signature of person administering medication/medical food was missing.

38. The plan was not followed or implemented.

39. The plan was not able to be implemented due to conflicting information.

40. None of the child care staff members trained in the procedures on the JFS 01236 were onsite when a child requiring the plan was present.

41. Child care staff members trained in the procedures on the JFS 01236 were not scheduled to be present the entire the time the child requiring the plan was onsite.

42. None of the child care staff members trained in the procedures on the JFS 01236 accompanied the child requiring the plan during a trip.

43. A child care staff member who had not been trained in the procedures on the JFS 01236 performed the procedure.

44. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.

Provide staff training. Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 6/8/23. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed (the main paper attendance sheet).
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

#### Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in numbers 1 & 5 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

#### Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to space cribs two feet apart when in use.

Finding: During the inspection, it was determined that cribs were not two feet apart when in use, as required by this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 08 Staff Files**

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in numbers 2 & 3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
