Rule: 5101:2-12-16 Incident/Injury Reporting

Code: The program is required to provide a copy of the JFS 01299 "Incident/Injury Report For Child Care" to parents or the person picking up the child on the day of the incident.

Findings: During the inspection, it was determined that parents or a person picking up a child did not receive the JFS 01299 "Incident/Injury Report For Child Care" on the day of the incident, as required by the rule. The staff reported notifying the parent of the injury through email/text but the incident injury form was not provided as required. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
