

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Rule: 5101:2-12-04 Fire Approval

Code: The program is required to only use space approved by the fire department or the state fire marshal's office to serve children. The program is required to obtain a fire inspection within 12 months from the date of the last fire approval. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program had not obtained written approval from the local fire safety inspector or the state fire marshal as noted in number 1 below:

1. The program had not been inspected and approved within 12 months from the date of the last fire approval.
2. The fire approval had not been obtained due to violations.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire approval, to the Department to verify compliance with the requirements of this rule.
