

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in numbers 1, 8, 10 & 11 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.

14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.
