

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 8 children was determined to have occurred for the Jr. Preschool (2 children are younger than 2 1/2 yrs) group when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.

3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/10/2022

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in numbers 11, 19, 20 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.

8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/10/2022

Low Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number(s) 2,3 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete the required health and safety training(s). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
