The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Allegation: Complainant alleges staff do not have complete background checks.

Determination: Substantiated

Findings: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the toddler group and neither a preliminary approval nor the JFS 01176 "Program Notification of Background Check Review for Child Care" were on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the child care staff member no longer has sole responsibility of children, to the Department to verify compliance with the requirements of this rule.
