

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 3 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.

8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/10/2022

Domain: 06 Program Information

Rule: 5101:2-12-14 Transportation - Vehicle Requirements

Code: The program is required to use the correct vehicle type as specified in rule. The program is also required to have all vehicles used to transport children inspected by an ASE certified mechanic, FMCSA inspector or the State Highway patrol annually, and correct all repairs that are listed on the vehicle inspection report.

Finding: During the inspection, it was determined the program used a vehicle to transport children that was not approved and/or did not have a current annual vehicle inspection indicating the vehicle was mechanically safe as noted in number 2 below:

1. The program used a converted cargo van or passenger vans designed to carry ten or more passengers. The program must cease the use of this vehicle immediately.
2. The vehicle was not inspected, in that it was not on-site available for review at the time of the inspection.
3. The vehicle was inspected by someone other than an ASE certified mechanic, federal motor carrier safety administration (FMCSA) safety inspector or the Ohio State Highway Patrol.
4. The vehicle inspection was not updated annually.
5. The vehicle inspection completed from the Ohio Highway Patrol did not meet the rule requirement.
6. The annual safety check of the vehicle(s) used by the program to transport children noted repairs or corrections that had not been completed and/or documented. The safety violations need to be corrected immediately.

Submit the program's corrective action plan, which includes either discontinuing the use of the vehicle, documentation for any new vehicle now being used to transport children, or a copy of the JFS 01230 "Vehicle Inspection Report for Child Care Centers", to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/10/2022

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have staff update their background checks every five years as required.

Finding: In review of the staff records, it was determined that background checks were not updated every five years for the individual(s) listed on the Employee Record Chart as noted in number 2 below:

1. Owner;
2. Administrator;
3. Child Care Staff Member, employee.

Submit the program's corrective action plan, which includes a statement the background check update has been requested, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 09/10/2022

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the school age group and neither a preliminary approval nor the JFS 01176 "Program Notification of Background Check Review for Child Care" were on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number 1 below:

1. No plan was on file.

2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
