

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Approval

Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) 6 below:

1. The [] room or space was not approved.
2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The common/preschool room occupancy had been exceeded. 14 children were being cared for in this space that had been approved for 11 children.
7. Care was provided to [] children less than two and one-half years of age. This violated the program's building code limitation in that, [].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Approval

Code: The program is required to only use space approved by the fire department or the state fire marshal's office to serve children. The program is required to obtain a fire inspection within 12 months from the date of

the last fire approval. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program had not obtained written approval from the local fire safety inspector or the state fire marshal as noted in number 1 below:

1. The program had not been inspected and approved within 12 months from the date of the last fire approval and the request for the new inspection was not made at least 30 days prior to the expiration of the previous approval.
2. The fire approval had not been obtained due to violations.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire approval, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 14 children was determined to have occurred for the Toddler, Preschool and School Age groups combined when the situation in number(s) 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Three groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

10. Possible side effects were missing on the JFS 01217.
11. Expiration date was missing on the JFS 01217.
12. Physician instructions were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 11/05/2021

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 "Child Medical/Physical Care Plan" for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan" must be on file for any child having health conditions which require monitoring for symptoms or a medical procedure be performed at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number(s) 6, 9 & 13 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Symptoms to watch for were missing.
6. Action to be taken if symptoms to occur were missing.
7. Activities/foods/environmental conditions to avoid, if applicable, were missing.
8. Medical procedures to be followed were missing.
9. Expected benefit was missing.
10. Name of any applicable medication was missing.
11. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
12. Instructions regarding emergency evacuation, if applicable, were missing.
13. Training instructions were missing.
14. Dated signature of parent or certified professional who trained the program staff was missing.
15. Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
16. Directions regarding additional services, if applicable, were missing.
17. Dated signature of parent giving permission to perform the procedure was missing.
18. Dated signature of program administrator was missing.
19. The plan was not implemented.
20. The plan was not able to be implemented due to conflicting information.
21. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236 "Child Medical/Physical Care Plan", to the Department to verify compliance with the requirements of this rule.
