

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

**Summary of Non-Compliances**

*If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.*

**Serious Risk Non-Compliances**

**No Serious Risk Non-Compliances were observed during this inspection**

**Moderate Risk Non-Compliances**

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-19 Supervision  
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in numbers 1 & 3 below:

1. Child(ren) were left unattended once (the PreK staff member left the classroom to help a child in the restroom across the hallway).
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended (a child ran out of the preschool room & into another room out of the staff members sight and children in the preschool room were running in different directions when the group went to the restroom).
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: Meals and snacks provided or served by the program must include all required food groups and meet the recommended daily dietary allowances as specified by the USDA.

Finding: During the inspection, it was determined that a meal or snack at the program did not meet the requirements as noted in numbers 8 & 9 below:

1. The breakfast served did not include foods from three of the four good groups.
2. Snack served did not include foods from two of the four food groups.
3. The meal did not provide 1/3 of the recommended daily dietary allowances as specified by the USDA.
4. Juice used to meet the fruit or snack component was not 100% undiluted fruit or vegetable juice.
5. The meal served did not include an item from the meat or meat alternative group.
6. The meal served did not include an item from the bread or grain group.
7. The meal served did not include two items from the fruit/vegetable group.
8. The meal served did not include a vegetable (a vegetable was served, but two fruits were served).
9. The meal served did not include a serving of fluid milk.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required.

Finding: In review of the staff records, it was determined that background checks were not requested for the person(s) listed on the Employee Record Chart as noted in number 1 below:

1. Submitting the request for a background check for child care in the OPR (not submitted for a rehired employee).
2. Submitting fingerprints electronically according to the process established by BCI.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Low Risk Non-Compliances**

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed (not all children were marked in upon arrival or out upon departure).
3. The original attendance documentation was not kept at the program for a period of one year.

Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in numbers 1 & 4 below:

1. There was no method in place (staff members did not have a way to track the children when some left with a staff member to use the restroom);
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times (the preschool group left the room to use the restroom and the staff members left the attendance tracking in the classroom);
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

### Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that children were not protected from the following item(s) or condition(s) which may threaten their health, safety, or well-being as noted in number 10 below:

1. Open pull cords that are not closed loop.
2. Telephone cords.
3. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
4. Stacked chairs.
5. Employee(s) purse(s).
6. Diaper bags.
7. Television not securely anchored.
8. Small or lightweight pieces of shelving units are not securely anchored to the wall.
9. Smoke detector needing batteries replaced.
10. Staff member stepped over a barrier/gate while holding a child.
11. Emergency exits were blocked by the following classroom furniture: [ ].

12. Other [ ].

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-08 Child Care Staff Member Educational Requirements

**Code:** The program staff is required to have refugee documentation on file at the program.

**Finding:** In review of the staff records, it was determined that the child care staff member(s) listed on the Employee Record Chart did not have complete documentation on file verifying a copy of his or her high school diploma could not be obtained due to entering the United States as a refugee. The documentation on file did not include the required information listed in number 1 below:

1. Documentation from the federal government that the person was admitted to the United States of America as a refugee.
2. A notarized statement that the person received a high school diploma (or equivalent) in his or her home country prior to being admitted to the United States as a refugee.

The rule requires both pieces of information to be on file. Submit the program's corrective action plan, which includes a copy of the required information noted above, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-08 Orientation Training & Whistle Blower Protection

**Code:** The program is required to have staff complete the online staff orientation training.

**Finding:** In review of the staff records, it was determined that child care staff member(s) had not completed the online orientation training as noted in number 1 below:

1. Within 30 days of starting employment at the program as a child care staff member.
2. No documentation of completing the training after December 31, 2016.
3. Completion of the training was not verified in the OPR.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/10/2022

**Domain: 08 Staff Files**

**Rule:** 5101:2-12-08 Medical Statement

**Code:** The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number 4.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
  - a. Physically fit for employment in a program caring for children;
  - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
  - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
  - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
  - b. Results of a TB test for employees meeting both criteria in 4a;
  - c. Results of additional testing for employees with a positive TB test;
  - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined a completed medical examination statement for the employee(s) listed on the Employee Record Chart was not on file, as required by this rule. Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/10/2022

**Domain: 08 Staff Files**

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to be completed within the previous 12 months from the employee's first day of employment.

Finding: In review of the staff records, it was determined that medical examination statement(s) on file at the program were not dated within 12 months of the employee's first day of employment, for the employee(s) listed on the Employee Record Chart. Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, to the Department to verify compliance with the requirements of this rule.

**Domain: 09 Children's Files**

Rule: 5101:2-12-15 Child Medical and Enrollment Records

Code: The program is required to have a completed medical on file at the program for each child enrolled.

Finding: In review of 25% of the children's records, it was determined that completed medical statements were not on file, as required, for children listed on the JFS Children's Record Review For Child Care as indicated in number 8 below:

1. No medical was on file for at least one child
2. Medical(s) on file was not updated every 13 months
3. Medical(s) were missing child's name and date of birth
4. Medical(s) were missing the date of the medical examination
5. The date of the exam was more than 13 months prior to the date the form was signed.
6. Medical(s) were missing a statement that the child has been examined and is in suitable condition for participation in group care
7. Medical(s) were missing the signature, business address and telephone number of the physician, physician's assistant(PA), advance practice nurse (APN) or certified nurse practitioner (CNP) who examined the child
8. Medical(s) were missing a record of immunizations the child has had specifying month, day and year
9. Medical(s) were missing a statement from the physician, PA, APN, or CNP that the child has been immunized or is in the process of being immunized against the diseases required by division 5104.014 of the Revised Code and found in appendix A to this rule
10. Medical(s) were missing a statement from the child's parent or guardian that he or she has declined to have the child immunized against the disease for reasons of conscience, including religious convictions
11. Other [ ]

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 09 Children's Files**

Rule: 5101:2-12-15 Child Medical and Enrollment Records

Code: The program is required to use the updated JFS 01234 "Child Enrollment and Health Information For Child Care" .

Finding: In review of 25% of the children's records, it was determined that information had not been secured from the parent/guardian on the JFS 01234 "Child Enrollment and Health Information For Child Care", as required, for the items in numbers 4, 5 & 12 below.

1. No enrollment form was completed for at least one child
2. The current JFS 01234 was not completed for at least one child
3. Complete child information
4. Complete parent information
5. Complete emergency contact information
6. Complete physician information
7. Information regarding the parent list
8. Health information
9. Additional information for all boxes checked "yes"
10. Emergency transportation information
11. Parent/guardian's signature
12. Diapering Statement
13. Acknowledgement of Policies and Procedures
14. Enrollment form for at least one child was not updated by either the parent or the administrator
15. Enrollment form for at least one child was not signed by the administrator
16. Other [ ]

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 10 Written Policies & Procedures**

Rule: 5101:2-12-16 Written Disaster Plan

Code: The program is required to have a written disaster plan.

Finding: During the inspection, it was determined the program's written disaster plan did not meet the requirement or was missing the information in numbers 5, 8, 14 and 21 below:

Procedures:

1. The written disaster plan had not been completed
2. The plan was not provided to all child care staff and employees
3. The plan was not used to respond to an emergency or disaster situation
4. Weather emergencies and natural disasters which include severe thunderstorms, tornadoes, flash flooding, major snowfall, blizzards, ice storms or earthquakes
5. Emergency outdoor and indoor lockdown or evacuation due to threats of violence which includes active shooter, bioterrorism or terrorism
6. Emergency or disaster evacuations due to hazardous materials and spills, gas leaks or bomb threats.
7. Outbreaks, epidemics or other infectious disease emergencies
8. Loss of power, water, or heat (missing details for loss of water & heat)
9. Other threatening situations that may pose a health or safety hazard to the children in the program  
Details:
  10. Shelter in place or evacuation, how the program will care for and account for the children until they can be reunited with the parent
  11. Assisting infants and children with special needs and/or health conditions
  12. Emergency contact information for parents and the program
  13. Procedures for notifying and communicating with parents regarding the location of the children if evacuated
  14. Procedures for communicating with parents during loss of communications, no phone or internet service available (Says a staff member will go to a safe place to call parents, but there needs to be a plan for no phone service so please revise this)
  15. The location of supplies and procedures for gathering necessary supplies for staff and children if required to shelter in place
  16. What to do if a disaster occurs during the transport of children or when on a field trip or routine trip
  17. Making the plan available to all child care staff members and employees
  18. Training of staff or reassignment of staff duties as appropriate
  19. Updating the plan on a yearly basis
  20. Contact with local emergency management officials
  21. Other: page 3 says staff will use personal vehicles when necessary in the "Off Site Emergency" section and the "Emergency Transportation" section, but this would require all staff vehicles to follow the transportation requirements in the rules; page 6 lists your program as a 2nd off-site evacuation location & in the "Flood" section it says to evacuate to Higher Peaks. There should be an alternate location since this is for evacuating from the program.

Make the necessary revisions to the disaster plan. Submit the program's corrective action plan, which includes the revised information, to the Department to verify compliance with the requirements of this rule.

**Domain: 10 Written Policies & Procedures**

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program is required to provide appendix C to all parents of the children enrolled.

Finding: During the inspection, it was determined that parent(s) of the children enrolled in the program were not provided with a current copy of Appendix C to this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 07/10/2022

**Domain: 10 Written Policies & Procedures**

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing item numbers 3, 14, 15, 20, 21, 25, 26, 28, 29 & 30 below:

General Information

1. Program name, address, email address and telephone number.
2. Description of the program's program philosophy.
3. Days and hours of operation, scheduled closings and basic daily schedule (hours of operation need to be updated to the current hours; daily schedules do not cover all hours of operation).
4. Staff/child ratios and group size.
5. Opportunities for parent involvement in program activities.
6. Opportunities for parents to meet with teachers regarding their child.
7. Payment schedule, overtime charges and registration fees as applicable.
8. Supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Program Policies and Procedures

9. Enrollment including required enrollment information.
10. Care of children without immunizations.
11. Attendance including procedures for arrival and departure, the program's absent day policy, releasing child to persons other than the parent, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.
12. Supervision of children, including a separate supervision policy for school-age children, if applicable.
13. Child guidance.
14. Suspension and expulsion.
15. Compliance with the Americans with Disabilities Act (ADA), including administering medication to children with disabilities and administering care procedures to children with disabilities.
16. Outdoor play, including limitations placed on outdoor play due to weather or safety issues (considerations may include but are not limited to temperature, humidity, wind chill, ozone levels, pollen count, lightning, rain or ice.)
17. Food and dietary policy, including, information regarding meeting one-third of the child's recommended daily dietary allowance, policy regarding formula, breast milk, meals and snacks, and a policy on providing supplemental food.
18. Management of illness including isolation precautions, symptoms for discharge and return and notification of parent of ill child.

19. Summary of procedures taken in the event of an emergency, serious illness or injury.
20. Administration of medication and topical products including medical foods, modified diets and whether school age children are permitted to carry their own medication and ointments (missing administration of medical foods and whether school age children are permitted to carry their own medication and ointments).
21. Transportation for fieldtrips, routine trips (if applicable) and emergencies, including if the center will provide child care services to children whose parents refuse to grant consent for transportation to the source of emergency treatment (missing field trips and walking trips).
22. Water activities/swimming.
23. Infant care, if applicable, including feeding, frequency of diaper checks and information about daily activities.
24. Sleeping, Napping and Resting.
25. Evening and overnight care.
26. Policy on hours of operation including closing due to weather, school delays or closings and any other factors (missing school delays or closings).
27. Situations that may require disenrollment of a child, if applicable.
28. Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the child care program (missing a policy for employees).
29. Formal screenings and assessments on enrolled children and if the program reports child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code (says formal assessments are not conducted, but the program does them now).
30. Other: page 15 says that children 18 months-2 years are served whole milk, but this should be children 12 months-2 years; page 17 says that the program will not administer food supplements, but there were many children who could not eat certain foods so there needs to be a policy about supplementing the lunch when a certain food cannot be served.

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.
