

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to removed all medication, medical foods and topical products that are no longer being administered or have expired.

Allegation: Emergency medication was not given to a family when requested due to disenrolling their children.

Determination: Substantiated

Findings: During the inspection, it was determined that a medication had not been removed from the program when no longer needed. A family disenrolling their children asked for the medication and the request was refused. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Risk Level: Low

Corrective Action Plan Due: 02/06/2022
