

Approved Child Day Camp Inspection Full Report

Approved child day camp programs are inspected at least once each year. Non-compliances are documented in the inspection report and may include documenting statements and supplemental information. Inspection reports can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Non-Compliances

Non-Compliances

Domain: 23 Medication

Rule: 5101:2-18-11 Medication and special health needs

Code: Medications must be stored safely and out of the reach of children.

Findings: "During the inspection, it was determined that medication was not stored safely as indicated in the number(s) 5 below:

1. Medication was not safely stored upon arrival at the approved child day camp.
 2. Medication was not kept out of reach of children, except a school-age child is permitted to carry their own emergency medication and written permission from the parent is on file at the approved child day camp.
 3. Medications or products that required refrigeration were not stored immediately upon arrival at the approved child day camp, if needed.
 4. Medications were not accessible to employees at all times, including on field trips and when children are off-site.
 5. Medications and products were not removed from the approved child day camp when no longer needed or expired.
- Correct the violation and submit the program's corrective action plan to verify compliance with the requirement of the rule."
