

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 2 child care staff member(s) for 19 children was determined to have occurred for the mixed age group when the situation in number 7 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.

13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals and machinery in a place that is inaccessible to children. The program is required to provide an outdoor play area away from machinery in operation.

Finding: During the inspection, a potentially hazardous item or toxic substance was used or stored in children preschool center where children had access to it, as noted in number 1 below.

1. Bleach.
2. Cleaning agent.
3. Fish tank chemicals.
4. Gasoline.
5. Pesticide.
6. Poison, including insect/rodent poison.
7. Flammable substance.
8. Windshield washer fluid.
9. Aerosol cans.
10. A lawn mower.
11. A weed trimmer.
12. Hedge trimmers.
13. A snow blower.
14. Other potentially hazardous substance, equipment or machinery: [].

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance or item is no longer accessible to children and/or children will not be outside when machinery is in use and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required.

Finding: In review of the staff records, it was determined that background checks were not requested for the person(s) listed on the Employee Record Chart as noted in numbers 1 and 2 below:

1. Submitting the request for a background check for child care in the OPR.
2. Submitting fingerprints electronically according to the process established by BCI.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in numbers 18 and 19 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.

16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 3/9/2021. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

Code: The program is required to maintain the appropriate group size for each group of children served.

Finding: During the inspection, group size limitations were not maintained for the mixed age group as it was determined there were 19 children grouped together, and this group included toddlers. The group size shall not exceed twice the maximum number of children allowed per Child Care Staff Member. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Group Size

Code: The program may combine all age groups when there are twelve or fewer children in the center.

Finding: During the inspection, it was determined groups which included children less than two and one half years were combined with groups of children two and one half years and older and there were more than 12

children in the center. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that children were not protected from the following item(s) or condition(s) which may threaten their health, safety, or well-being as noted in number 5 below:

1. Open pull cords that are not closed loop.
2. Telephone cords.
3. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
4. Stacked chairs.
5. Employee(s) purse(s).
6. Diaper bags.
7. Television not securely anchored.
8. Small or lightweight pieces of shelving units are not securely anchored to the wall.
9. Smoke detector needing batteries replaced.
10. Staff member stepped over a barrier/gate while holding a child.
11. Emergency exits were blocked by the following classroom furniture: [].
12. Other -mat was coming up and posed a tripping hazard.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Equipment

Code: The program is required to provide enough space between equipment to not pose a risk of injury.

Finding: During the inspection, it was determined that the outdoor play equipment was positioned too closely together, posing a risk of injury if a child were to fall from one piece of equipment into another. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 01/22/2022

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Separation of Children Under 2 1/2 Years

Code: The program is required to separate children younger and older than 2 1/2 years of age.

Finding: During the inspection, it was determined a group that included at least one child less than the age of two and one half years of age was not kept separate from groups of older children as noted in number 1 below:

- 1) The toddler group, which included children less than two and one half years of age, were cared for in a space where a group of older children were receiving care.
- 2) A barrier was not used to separate the space being used by the group of children less than two and one half years of age from space being used for groups of children two and one half years and older.
- 3) The barrier separating the groups was not at least 36 inches in height.
- 4) The barrier separating the groups was not continuous.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in numbers 3 and 5 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.

6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have staff complete training in child abuse and neglect recognition and prevention within sixty days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed training in child abuse and neglect recognition and prevention as noted in number 2 below:

1. The training was not completed within sixty days of hire.
2. The training was expired, as it is only valid for two years.

Refer to the Employee Record Chart for the name(s) of the child care staff member(s) who must complete training in child abuse and neglect recognition and prevention. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
