

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 04 Indoor/Outdoor Space

Rule: 5101:2-12-11 Outdoor Play Fall Zones

Code: The program is required to provide adequate fall surface for the outdoor play space.

Finding: During the inspection, it was determined that the playground did not have adequate fall surface under and around equipment as noted in number 1 below:

1. No fall surface (under the teeter totters and step climber).

2. Adequate fall surface to soften the impact of a fall
3. Adequate fall surface to soften the impact of a fall that extended the length of the required fall zone
4. Other []

With any equipment designed for climbing, swinging, bouncing, or sliding, resilient material, as specified in Appendix A, needs to be added in order to protect children in the event of a fall. Submit the program's corrective action plan, which includes written verification of the discontinued use of this equipment until corrections are made along with a description of the resilient material added, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in numbers 1, 7 & 12 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.

20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 09 Children's Files

Rule: 5101:2-12-15 Medical/Physical Care Plans

Code: The program is required to have a completed JFS 01236 "Child Medical/Physical Care Plan for Child Care" on file at the program for any child having a health condition. The program is required to implement and/or follow instructions on the JFS 01236 for a child with a health condition.

Finding: A written, signed and dated JFS 01236 "Child Medical/Physical Care Plan for Child Care" must be on file for any child having health conditions which require monitoring for symptoms, or a medical procedure be performed, or ongoing administration of medication or medical foods at the program. In review of the children's records, it was determined that the required written information was either not on file, implemented or followed, for at least one child indicated on the Children Records Review, as noted in number 1 below:

1. No plan was on file.
2. Child's name was missing.
3. Child's date of birth was missing.
4. Name of the condition was missing.
5. Indication if medication is required was missing.
6. Symptoms to watch for were missing.
7. Directions for when should the medication or medical food be administered were missing.
8. Instructions for administration were missing.
9. Conditions that trigger the need for medication or medical foods were missing.
10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature(s) of administrator was missing.

20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 3/14/22. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 00 License & Approvals

Rule: 5101:2-12-02 Current Information

Code: The rule requires the program to keep their information current in OCLQS.

Finding: During the inspection, it was determined the information in number 4 below was not up to date in the Ohio Child Licensing and Quality System (OCLQS):

1. Mailing address
2. Telephone number
3. Email address
4. Days and hours of operation
5. Services offered
6. Name of program
7. Private pay rates

Technical assistance was provided, and as discussed, log on to OCLQS and update the information, as required.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 1 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play (children were around the corner of the wall while the staff member prepared lunches in the Zoo room).
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Other: [].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Equipment

Code: The program is required to refrain from placing indoor swings, slides, climbers, and climbing apparatus directly over a hard surface.

Finding: The rule requires that indoor swings, slides, climbers, and climbing apparatus shall not be placed over concrete, tile, carpet, or any similarly hard surface. During the inspection, it was determined that the soft climber in Zoo did not have a mat around all sides of the equipment. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that at least one area of the program or at least one piece of equipment had chipping or peeling paint (Gross Motor Room). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Equipment

Code: The program is required to provide equipment that is safe and hazard free.

Finding: During the inspection, equipment was determined to be unsafe or hazardous to children and in need of repair as noted in number 1 below:

1. The equipment had sharp points or corners (a plastic bin was cracked in the Early Learners room);
2. The equipment had splinters;
3. The equipment had protruding nails;
4. The equipment had loose or rusty parts;

5. The equipment had paint which contains lead or other poisonous materials;
6. The equipment had hazardous features;
7. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Daily Schedule

Code: The program is required to have the daily program schedule posted in all required areas.

Finding: During the inspection, it was determined that a copy of the daily program schedule was not posted in the Foresters, Explorers, Farmers & Zoo classrooms area as required (it did not cover all hours of operation). Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 03 Postings & Equipment

Rule: 5101:2-12-16 Medical, Dental, and General Emergency Plan

Code: The program is required to post and implement the JFS 01242 "Medical, Dental, and General Emergency Plan" when necessary.

Finding: During the inspection, it was determined the requirements for the JFS 01242 "Medical, Dental, and General Emergency Plan for Child Care" were not followed as noted in number 8 below:

1. The plan was not posted in each classroom.
2. The plan was not posted in other spaces used by children.
3. The name, address and telephone number of the program were not complete.
4. The location of first aid kit, fire extinguishers and fire alarm system, fire alarm pull stations and electrical circuit box were not complete.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/20/2022

Domain: 05 Health & Safety

Rule: 5101:2-12-16 Management of Communicable Disease

Code: The program is required to post the JFS 08087 "Ohio Communicable Disease Chart".

Finding: During the inspection, it was determined that the JFS 08087 "Ohio Communicable Disease Chart" was not posted as required, as indicated in number 2 below:

1. The chart was not posted.
2. In a location readily available to program staff and parents.
3. The posted chart was not the current version.
4. The posted chart was not displayed in the size available in the ODJFS forms central to be easily read.

Technical assistance was provided at the time of inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to provide food that does not pose as a choking hazard and is appropriate for the age of the children.

Finding: During the inspection, it was determined that children in the Explorers group were served a chicken leg and chicken breast chunks, which posed a choking hazard. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in numbers 1 & 5 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in numbers 3b & 3c.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
 - b. Results of a TB test for employees meeting both criteria in 4a;
 - c. Results of additional testing for employees with a positive TB test;
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program's policies and procedures are required to include all topics outlined in rule.

Finding: During the inspection, it was determined the program's written policies and procedures provided to the parents/guardians and employees was missing item numbers 3, 4, 14, 15, 17, 18, 20, 26 & 30 below:

General Information

1. Program name, address, email address and telephone number.
2. Description of the program's program philosophy.
3. Days and hours of operation, scheduled closings and basic daily schedule (the sample daily schedule is from 6:45a-6p, but hours are 7:15a-5:30p).
4. Staff/child ratios and group size (3-4 years & 4-5 years aren't listed (these are bulked with 30-48mo), so list them separately).
5. Opportunities for parent involvement in program activities.
6. Opportunities for parents to meet with teachers regarding their child.
7. Payment schedule, overtime charges and registration fees as applicable.
8. Supports for onsite breastfeeding or pumping for mothers who wish to do so (if the program serves infants or toddlers).

Program Policies and Procedures

9. Enrollment including required enrollment information.
10. Care of children without immunizations.
11. Attendance including procedures for arrival and departure, the program's absent day policy, releasing child to persons other than the parent, releasing a child according to a custody agreement and follow up when a child scheduled to arrive from another program or activity does not arrive.
12. Supervision of children, including a separate supervision policy for school-age children, if applicable.
13. Child guidance.
14. Suspension and expulsion.
15. Compliance with the Americans with Disabilities Act (ADA), including administering medication to children with disabilities and administering care procedures to children with disabilities.
16. Outdoor play, including limitations placed on outdoor play due to weather or safety issues (considerations may include but are not limited to temperature, humidity, wind chill, ozone levels, pollen count, lightning, rain or ice.)
17. Food and dietary policy, including, information regarding meeting one-third of the child's recommended daily dietary allowance, policy regarding formula, breast milk, meals and snacks, and a policy on providing supplemental food (There is a policy regarding meals and snacks, but none of the other items are included. Also, the meals/snacks section says that the program will not supplement children's lunches, but rule requires that programs do have supplemental food onsite to ensure that no child goes more than 4 hours without a meal or snack).
18. Management of illness including isolation precautions, symptoms for discharge and return and notification of parent of ill child (the section for notification of parent of an ill child just says that they will be notified, so please list how they will be notified).
19. Summary of procedures taken in the event of an emergency, serious illness or injury.
20. Administration of medication and topical products including medical foods, modified diets and whether school age children are permitted to carry their own medication and ointments (missing medical foods- these are different than modified diets and food supplements).
21. Transportation for fieldtrips, routine trips (if applicable) and emergencies, including if the center will provide child care services to children whose parents refuse to grant consent for transportation to the source of emergency treatment.
22. Water activities/swimming.
23. Infant care, if applicable, including feeding, frequency of diaper checks and information about daily activities.

24. Sleeping, Napping and Resting.
25. Evening and overnight care, if applicable.
26. Policy on hours of operation including closing due to weather, school delays or closings and any other factors (missing the policy on operating during school delays or closings).
27. Situations that may require disenrollment of a child, if applicable.
28. Problem or issue resolution for parents or employees to follow when needing assistance in resolving problems related to the child care program.
29. Formal screenings and assessments on enrolled children and if the program reports child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code.
30. Other: Page 2 states that children may be dropped off between 6:45a-10:30a, but the center doesn't open until 7:15a. It also states that parents must pick-up by 6p, but the center closes at 5:30p.

Revise the program's written policies and procedures to include the missing information. Submit the program's corrective action plan, which includes the revised written policies and procedures, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/21/2022

Domain: 10 Written Policies & Procedures

Rule: 5101:2-12-07 Written Program Policies and Procedures

Code: The program is required to provide appendix C to all parents of the children enrolled.

Finding: During the inspection, it was determined that parent(s) of the children enrolled in the program were not provided with a current copy of Appendix C to this rule (it is printed towards the end of the handbook, but doesn't include the most recent information). Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
