

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

**Summary of Non-Compliances**

*If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.*

**Serious Risk Non-Compliances**

**No Serious Risk Non-Compliances were observed during this inspection**

**Moderate Risk Non-Compliances**

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-19 Supervision  
Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number 1 below:

1. Child was left unattended once. At my arrival and infant was napping and no staff members were present in the room where he was sleeping.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [ ].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 01 Ratio & Supervision**

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member for 15 children was determined to have occurred for the Preschool group when the situation in number 15 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other: Additional Child Care Staff Members were not scheduled to work.

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 3 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once. Children repeatedly entered the restroom and shut the door resulting in the teacher not being able to see the children.
4. Staff were not physically present in the space and near enough to respond and reach the child immediately.
5. Other: [ ].

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

**Domain: 02 Safe & Sanitary Environment**

**Rule:** 5101:2-12-13 Sanitary Equipment and Environment

**Code:** The program is required to provide a clean restroom with the appropriate materials available.

**Finding:** During the inspection, it was determined that unsanitary conditions, as noted in number 4 below, were in the Preschool restroom:

1. There was no liquid soap.
2. There was no toilet paper.
3. There were no paper towels.
4. The toilet cleaning brush was accessible to the children.
5. The plunger was accessible to the children.
6. The toilet(s) were not flushed.
7. The trash was not emptied from the day before.
8. There was a strong urine odor.
9. Other [ ].

The restroom(s) must be kept sanitary at all times. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 02 Safe & Sanitary Environment**

**Rule:** 5101:2-12-13 Sanitary Equipment and Environment

**Code:** The program is required to provide equipment and materials that are easy to clean.

**Finding:** During the inspection, it was determined that at least one piece of equipment, furnishings, or material at the program was not constructed of materials to facilitate cleaning as noted in numbers 1 and 3 below:

1. The material had a tear.
2. The material was not washable.
3. The material was porous.
4. The surface was cracked.
5. The surface was repaired, but in a manner that still did not facilitate cleaning.
6. Other [ ].

Equipment, furnishings, and furniture shall be constructed of materials to facilitate cleaning. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 03 Postings & Equipment**

Rule: 5101:2-12-17 Materials and Equipment

Code: The program is required to have play materials accessible and orderly.

Finding: During the inspection, it was determined that play materials were not accessible/orderly for the following reason(s) as noted in number 1 below:

1. Play materials were not readily accessible to the children in the Preschool classroom;
2. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the [ ] classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 05 Health & Safety**

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in numbers 2 and 5 below.

1. The menu was not posted.

2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label and store bottles with breast milk following the requirements in rule.

Finding: During the inspection, it was determined that breast milk provided by the parent was not stored appropriately as noted in number 1 below:

1. Not labeled with infant's name, date pumped, and date bottle was prepared;
2. Not immediately refrigerated or frozen;
3. Stored at room temperature longer than eight hours;
4. Stored at the program for more than five days after it was expressed;
5. Stored longer than two weeks in the freezer compartment of the refrigerator;
6. Stored longer than six months in the refrigerator/freezer;
7. Stored longer than twelve months in the deep freezer;
8. Other [ ].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
