

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

A child care staff member stepped out of the room. 2. A child care staff member had not arrived at work on time. 3. Children were present who were not scheduled to be there. 4. A child care staff member was unable to work. 5. A child was injured in that group. 6. A child arrived in the group before a second staff member was scheduled to arrive with the group. 7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group. </div>

8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/26/2021

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-20 Cots and Napping

Code: The program is required to provide a quiet activity for children who do not fall asleep after an appropriate length of time.

Finding: During the inspection, it was determined that at least one child who had not fallen asleep after an appropriate length of time was not provided with an opportunity to engage in quiet activities. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Corrective Action Plan Due: 06/26/2021

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 5 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;
5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/26/2021

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to store chemicals in a place that is inaccessible to children.

Finding: During the inspection, a potentially hazardous substance, which was determined to not present a serious risk to a child, was accessible to children as noted in number(s) 2 below:

1. Cosmetics;
2. Disinfecting wipes;
3. Fish food;
4. Hand lotion;
5. Hand sanitizer (for children under 24 months);
6. Laundry detergent;
7. Powder dish washing soap;
8. Paint cans;
9. White out;
10. Potting Soil;
11. Other potentially hazardous substance [].

The potentially hazardous substance was determined to be accessible to children in the following area: on a low shelf in the Infant/Toddler room.

Provide staff training. Submit the program's corrective action plan, which includes a statement that the potentially hazardous substance is no longer accessible to children and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/26/2021

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program staff is required to label bottles containing formula or breast milk.

Finding: During the inspection, it was determined that bottles containing formula for a particular infant were not labeled with the child's name and date of preparation. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.

Corrective Action Plan Due: 06/26/2021

Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-23 Infant Daily Care

Code: The program is required to provide a daily written record for each infant in care to the parents when picking up the infant each day.

Finding: During the inspection, it was determined that there was no daily written record for each infant provided to the parent or person picking up the infant on a daily basis. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.
