

## Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <a href="http://jfs.ohio.gov/CDC/childcare.stm">http://jfs.ohio.gov/CDC/childcare.stm</a>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

## **Summary of Non-Compliances**

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-13-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

## Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

**Moderate Risk Non-Compliances** 

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 00 License & Approvals

Rule: Transitional Pandemic Requirements

Code: The program is required to ensure safe health practices to prevent the spread of COVID-19.

Findings: During the inspection, it was determined that the program did not follow the requirements for ensuring safe practices to prevent the spread of COVID-19 as noted in number(s) [] below:

<ul> <li>listed in appendix A to this rule prior to, or as soon as they arrived each day.</li> <li>2. The provider was not assessed for temperature and symptoms listed in appendix A to this rule prior to the start of the day.</li> <li>3. At least one resident was not assessed for temperature and symptoms listed in appendix A to this rule prior to the start of the day.</li> <li>4. The program did not immediately send home any child, child care staff member or employee who had a temperature of one hundred degrees or higher.</li> <li>5.
