Rule: 5101:2-12-11 Separation of Children Under 2 1/2 Years

Code: The program is required to separate children younger and older than 2 1/2 years of age.

Findings: During the inspection, it was determined that a group was occupying space not previously approved by the Department for children less than two and one-half years of age in that all children were combined in the preschool classroom during lunch. Building and fire department approvals do not prohibit the use of this space for children less than two and one-half years. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.
