

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Fire Inspection

Code: The program is required to have all spaces used for child care inspected by the fire department or the state fire marshal's office prior to serving children. The program is required to obtain a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection. If violations are noted during the inspection, the program is required to have all violations corrected and have the program re-inspected to obtain a completed fire form.

Finding: During the inspection, it was determined the program did not meet the requirements for fire inspection as noted in number(s) 1 below:

1. The program did not have documentation on file for a fire inspection without any uncorrected violations within 12 months from the date of the last fire inspection and the request for the new inspection was not made at least 30 days prior to the expiration of the previous fire inspection.
2. The documentation for the most recent fire inspection contained violations that had not been corrected.
3. The [] space was being used and had not been approved by the fire department or the state fire marshal's office for child care.

Submit the program's corrective action plan, which includes an updated fire inspection without any uncorrected violations, to the Department to verify compliance with the requirements of this rule.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Fluid Milk Requirements

Code: The program is required to serve age-appropriate fluid milk or obtain written documentation when serving substitutions for fluid milk.

Finding: During the inspection, it was determined that required documentation for substitutions for fluid milk was not on file as noted in number(s) 2 below:

1. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants up to 12 months of age are served anything other than formula or breast milk.
2. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when infants and toddlers 12 months of age up to 24 months of age are served anything other than unflavored whole homogenized vitamin D fortified cow's milk, breast milk, or non-cow milk substitution that is nutritionally equivalent to milk.
3. Written instructions from a licensed physician, physician's assistant, or certified nurse practitioner when toddlers and children 24 months of age and older are served anything other than unflavored one per cent milk that is vitamin A and D fortified, unflavored fat free or skim milk that is vitamin A and D fortified, or non-cow milk substitutions that are nutritionally equivalent to milk.
4. Written parental consent for non-cow milk substitutions that are nutritionally equivalent to milk for children 12 months of age and older.
5. The program did not have the type of milk on-site to ensure that all children were served age-appropriate fluid milk.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

Code: The program is required to have staff complete the online staff orientation training.

Finding: In review of the staff records, it was determined that child care staff member(s) had not completed the online orientation training as noted in number(s) 1 below:

1. Within 30 days of starting employment at the program as a child care staff member.

2. No documentation of completing the training after December 31, 2016.
3. Completion of the training was not verified in the OPR.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
