

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Department Inspection

Code: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

Finding: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number(s) [] below:

1. The [] room or space was not approved.

2. Children under school age were being cared for in a building only approved for school age.
3. The space had been modified and not yet re-inspected and approved.
4. The [] floor, which had not been approved by the building department for child care, was being used.
5. The building limitation had been exceeded. [] children were being cared for and the building had been approved for [] children.
6. The [] room(s) occupancy had been exceeded. [] children were being cared for in this space that had been approved for [] children.
7. Care was provided to 1 child less than two and one-half years of age. This violated the program's building code limitation in that, the classroom was not approved for children under the age of two and one-half years of age.

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Finding: During the inspection, a ratio of 1 child care staff member(s) for 6 children was determined to have occurred for the mixed age group when the situation in number(s) 3 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/07/2022

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately and protecting them from harm.

Finding: During the inspection, it was determined that children were left unattended while inside the program as noted in number(s) 2 below:

1. Child(ren) were left unattended once.
2. Child(ren) were left unattended more than once.
3. Child(ren) left the group and were unattended.
4. Child care staff were using a baby monitor to supervise children.
5. Child care staff were using a walkie talkie to supervise children.
6. Child care staff were using mirrors to view children in another room.
7. Child care staff were using a video camera instead of physically being present in the room.
8. Other [].

Children must be supervised and within sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required.

Finding: In review of the staff records, it was determined that background checks were not requested for the person(s) listed on the Employee Record Chart as noted in number(s) 1 & 2 below:

1. Submitting the request for a background check for child care in the OPR.

2. Submitting fingerprints electronically according to the process established by BCI.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/07/2022

Domain: 08 Staff Files

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have documentation from ODJFS, indicating the individual is eligible to be employed in child care, on file before allowing the staff to have sole responsibility of children.

Finding: During the inspection, it was determined that child care staff member(s) had sole responsibility of children in the mixed group(s) and neither a preliminary approval nor the JFS 01176 "Program Notification of Background Check Review for Child Care" were on file as required. Submit the program's corrective action plan, which includes a copy of the JFS 01176 or a statement that the child care staff member(s) no longer have sole responsibility of children, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 10/07/2022

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have a method for tracking the children in each group. The tracking method must be updated throughout the day and kept with the group at all times.

Finding: During the inspection, it was determined that the method for tracking children in each group did not meet the requirements of the rule as noted in number(s) 4 below:

1. There was no method in place;
2. The method did not include each child's name;
3. The method did not include each child's date of birth;
4. The tracking method did not remain with the group at all times;

5. The tracking method was not updated throughout the day as children entered or left the group.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to have the information listed in rule on all attendance records.

Finding: During the inspection, it was determined that the attendance records did not include the required information listed in number(s) 2 below:

1. The name of the child.
2. The birth date of the child.
3. The assigned group.
4. The child's weekly schedule.
5. The time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment

Code: The program is required to provide a clean restroom with the appropriate materials available.

Finding: During the inspection, it was determined that unsanitary conditions, as noted in number(s) 4 & 5 below, were in the boys restroom:

1. There was no liquid soap.
2. There was no toilet paper.
3. There were no paper towels.
4. The toilet cleaning brush was accessible to the children.
5. The plunger was accessible to the children.

6. The toilet(s) were not flushed.
7. The trash was not emptied from the day before.
8. There was a strong urine odor.
9. Other [].

The restroom(s) must be kept sanitary at all times. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Corrective Action Plan Due: 10/07/2022

Domain: 03 Postings & Equipment

Rule: 5101:2-12-17 Materials and Equipment

Code: The program is required to have play materials accessible and orderly.

Finding: During the inspection, it was determined that play materials were not accessible/orderly for the following reason(s) as noted in number(s) 2 below:

1. Play materials were not readily accessible to the children in the [] classroom;
2. Play materials were not arranged in an orderly manner so that children have opportunities to select, remove and replace play materials with minimal assistance during the day in the preschool classroom.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Corrective Action Plan Due: 10/08/2022

Domain: 08 Staff Files

Rule: 5101:2-12-08 Orientation Training & Whistle Blower Protection

Code: The program is required to have staff complete the online staff orientation training before they are permitted to have sole responsibility of children.

Finding: During the inspection, it was determined that Child Care Staff Member(s) listed on the Employee Record Chart had sole responsibility of children and had not completed the online orientation, as required by this rule. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
