

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

10. Expected results of the medication or medical food were missing.
11. Actions to be taken if the symptoms do not subside were missing.
12. Activities, foods, environmental conditions to avoid were missing.
13. Training instructions were missing.
14. Directions for action to be taken if expected result of medication or medical food does not occur were missing.
15. Instructions regarding emergency evacuation, if applicable, were missing.
16. Dated signature of parent was missing.
17. Dated signature of certified professional who trained the program staff was missing, if parent was not the trainer.
18. Printed name(s)/Dated signature(s) of child care staff member(s) trained to perform the procedure were missing.
19. Dated signature of administrator was missing.
20. Name of any applicable medication was missing.
21. Date medication was administered was missing.
22. Time medication was administered was missing.
23. Dosage administered was missing.
24. Signature of staff member who administered the medication was missing.
25. Medication listed in the procedures to follow was not onsite available to administer as instructed and alternate instructions for this situation were not included on the plan.
26. The plan was not implemented.
27. The plan was not able to be implemented due to conflicting information.
28. The plan was not followed.

Submit the program's corrective action plan, which includes a copy of the completed JFS 01236, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in numbers 4a.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
 - b. Results of a TB test for employees meeting both criteria in 4a;
 - c. Results of additional testing for employees with a positive TB test;
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
