

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at http://jfs.ohio.gov/CDC/childcare.stm. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 00 License & Approvals

Rule: 5101:2-12-04 Building Department Inspection

<u>Code</u>: The program is required to refrain from using space that did not receive building approval and from caring for children in spaces not approved for that age group. The program is required to refrain from using a

remodeled or modified space before obtaining building approval. The program is required to maintain building occupancy limitations.

<u>Finding</u>: During the inspection, it was determined the program was using space for child care in a manner that was not approved by the Ohio Department of Commerce or local certified building authority as noted in number 1,6 below:

- 1. The space was not approved. A child was napping in the hall outside the classroom.
- 2. Children under school age were being cared for in a building only approved for school age.
- 3. The space had been modified and not yet re-inspected and approved.
- 4. The [] floor, which had not been approved by the building department for child care, was being used.

5. The building limitation had been exceeded. children were being cared for and the building had been approved for children.

6. The preschool room (Room 104) occupancy had been exceeded. 8 children were being cared for in this space that had been approved for 6 children. The school age room occupancy had been exceeded: 12 children were being cared for in Room 5 with occupant load of 9 and 13 children were being cared for in Room 106 with occupant load of 7 according to the limitations by room on the certificate of occupancy posted at the program. 7. Care was provided to [] children less than two and one-half years of age. This violated the program's building code limitation in that, [].

Submit the program's corrective action plan, which includes building approval for use of this space, a written statement that the building occupancy limitations are being maintained, or a written statement that it is no longer being used, to the Department to verify compliance with the requirements of this rule.
