

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Serious Risk Non-Compliances
No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

No Moderate Risk Non-Compliances were observed during this inspection

Low Risk Non-Compliances

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Environment

Code: The program is required to provide an environment that protects the children in care from any items and conditions that may threaten their health, safety, and well-being.

Finding: Children in care shall be protected from any items and conditions which threaten their health, safety, and well-being. During the inspection, it was determined that children were not protected from the following item(s) or condition(s) which may threaten their health, safety, or well-being as noted in number 12 below:

1. Open pull cords that are not closed loop.
2. Telephone cords.
3. Electrical/extension cords attached to an object that would not likely result in a severe injury if pulled.
4. Stacked chairs.
5. Employee(s) purse(s).
6. Diaper bags.
7. Television not securely anchored.
8. Small or lightweight pieces of shelving units are not securely anchored to the wall.
9. Smoke detector needing batteries replaced.
10. Staff member stepped over a barrier/gate while holding a child.
11. Emergency exits were blocked by classroom furniture.
12. Other: Balloons and balloon strings.

Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.

8. Other.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Rule: 5101:2-12-10 Health Training Requirements

Code: The program is required to have all child care staff members complete training in child abuse and neglect recognition and prevention within sixty days of hire. Staff must complete training in first aid and CPR within the first ninety days of hire.

Finding: In review of the staff records, it was determined that at least one child care staff member had not completed required health and safety training as noted in number 2 below:

1. Child abuse and neglect recognition and prevention training was not completed within sixty days of hire.
2. First aid training was not completed within ninety days of hire.
3. Cardiopulmonary resuscitation (CPR) training was not completed within ninety days of hire.
4. The child abuse and neglect recognition and prevention training was expired.
5. The first aid training was expired.
6. The CPR training was expired.

Refer to the Employee Record Chart for the name of the child care staff member who must complete the required health and safety training. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
