

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

#### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

#### Moderate Risk Non-Compliances

**Domain: 08 Staff Files**

Rule: 5101:2-12-09 Background Check Requirements

Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 00 License & Approvals

Rule: 5101:2-12-03 Inspection Requirements

Code: The program is required to respond to noncompliances by the date noted in the inspection report.

Finding: During the inspection, it was determined the program had not responded to the non-compliances addressed in the inspection report dated 1/12/23. The rule requires the program to complete and submit a corrective action plan in OCLQS to address non-compliances detailed in written inspection reports within the timeframe outlined in the report. Submit the program's corrective action plan, which includes a statement that current and future corrective action plans will be submitted timely, to the Department to verify compliance with the requirements of this rule.

#### Domain: 07 Diapering & Infant Care

Rule: 5101:2-12-20 Cribs

Code: The program is required to obtain written permission from parents of children who are over 12 months old and will using a cot/mat instead of a crib.

Finding: During the inspection, it was determined that an infant who was 12 months or older was assigned to a cot without written permission from the parent, as required by this rule. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 07 Diapering & Infant Care**

Rule: 5101:2-12-23 Infant Bottle and Food Preparation

Code: The program is required to obtain written instructions from parents regarding feeding their infant.

Finding: During the inspection, it was determined that written instructions for feeding the infants noted on the Children Record Review were missing information as noted in number 1 below:

1. Written instructions were not on file.
2. Type of food and/or formula/breast milk was missing.
3. Amount of food and/or formula/breast milk was missing.
4. Feeding times or frequency of feedings was missing.
5. The written instructions on file had not been updated.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

**Domain: 08 Staff Files**

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in numbers 4, 5, 6, 7 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
8. Other.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Domain: 08 Staff Files**

Rule: 5101:2-12-08 Medical Statement

Code: The program staff's medical statements are required to be completed and on file at the program.

Finding: In review of the staff records, it was determined that the medical statements for the employees listed on the Employee Record Chart did not meet the requirements as listed in number 1 below.

1. A medical statement was not on file for at least one employee;
2. The medical statement(s) on file did not have a date of examination within 12 months of the employee's first day of employment;
3. Date of examination was missing;
4. Signature, business address, or telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination was missing;
5. A statement was missing that verifies the employee is:
  - a. Physically fit for employment in a program caring for children;
  - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
  - c. Immunized against Measles, Mumps, and Rubella (MMR);
6. Tuberculosis (TB) screening/test information was missing:
  - a. Documentation of the screening process to determine if the employee resided in a country identified by the world health organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment.
  - b. Results of a TB test for employees meeting both criteria in 6a.
  - c. Results of additional testing for employees with a positive TB test.
  - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
