

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-12 Safe Equipment

Code: The program is required to refrain from using space heaters unless it has been approved by a fire official.

Allegation: Complainant alleged that space heaters were used in the child care space that had not been approved by the fire department.

Determination: Substantiated

Findings: During the inspection, it was determined that a space heater which had not been approved by a fire official was in use in the area identified in number 2 below:

1. The administrator's office.
2. At least one classroom.
3. The break room.
4. Several classrooms.
5. The hallway.
6. The entry way.
7. Other [].

The use of this space heater must be discontinued until approval for its use has been obtained. Submit the program's corrective action plan, which includes written fire approval for use of this space heater or a written statement that the space heater is no longer being used at the program, to the Department to verify compliance with the requirements of this rule. After a thorough investigation, the allegation is substantiated.

Risk Level: Moderate
