

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Summary of Non-Compliances

If the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited. Ohio Administrative Code 5101: 2-12-03 details the process for submitting a request for a review if a program disagrees with a licensing finding. The request for review must be submitted within seven days from the receipt of the licensing report.

Serious Risk Non-Compliances

No Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain: 09 Children's Files

Rule: 5101:2-12-25 Medication Administration

Code: The program is required to use the appropriate form and retain current documentation to administer medications. The program is also required to obtain separate documentation for each medication and child, and retain on file each JFS 01217 "Request for Administration of Medication for Child Care" for at least one year. The

program is required to administer medication only if it has the prescription label attached or has written instructions from a licensed physician. The program is also required to have each medication to be administered stored in its original container.

Finding: During the inspection, it was determined the program did not meet the requirement(s) for administering a medication or medical food that is not required by a JFS 01236 "Child Medical/Physical Care Plan for Child Care" or a prescription topical product to a child as noted in numbers 11, 12, 13, and 14 below:

1. No JFS 01217 "Request for Administration of Medication for Child Care" was on file.
2. The child's name was missing on the JFS 01217.
3. The child's date of birth was missing on the JFS 01217 and was needed to determine the correct dosage.
4. The child's weight was missing on the JFS 01217 and was needed to determine the correct dosage.
5. The name of the medication was missing on the JFS 01217.
6. The exact dose was missing on the JFS 01217.
7. The time to administer was missing on the JFS 01217.
8. The time period to administer was missing on the JFS 01217.
9. The medication's expiration date was missing on the JFS 01217.
10. The Parent/Guardian's dated signature was missing on the JFS 01217.
11. Physician instructions were missing on the JFS 01217.
12. Possible side effects were missing on the JFS 01217.
13. Physician's dated signature was missing on the JFS 01217.
14. Physician's phone number was missing on the JFS 01217.
15. Date medication was administered was missing on the JFS 01217.
16. Time medication was administered was missing on the JFS 01217.
17. Dosage administered was missing on the JFS 01217.
18. Staff member's signature was missing on the JFS 01217.
19. A prescription label was not attached to the prescription medication.
20. The medication or product, [], was not brought to the program in its original container.
21. Parent instructions conflict with either the manufacturer or physician instructions.

Submit the program's corrective action plan, which includes the completed JFS 01217 for each child needed, verification that the prescription label is now attached, and/or verification that the medication or product is now in its original container, and a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Low Risk Non-Compliances

Domain: 08 Staff Files

Rule: 5101:2-12-07 Administrator Responsibilities/Requirements

Code: The program administrator is required to maintain current employee records in the Ohio Professional Registry.

Finding: During the inspection, it was determined employment records in the Ohio Professional Registry (OPR) were not created or maintained as noted in number 1 below:

1. At least one administrator, employee or child care staff member (including substitutes) had not created a profile.
2. At least one administrator, employee or child care staff member had not created an employment record for the program on or before their first day of employment.
3. At least one administrator, employee or child care staff member had not updated changes to positions or roles within five calendar days of the change.
4. The administrator had not assigned at least one employee or child care staff member to the program's organization dashboard.
5. At least one individual's schedule was not current.
6. At least one individual's position or role did not include an applicable group assignment.
7. At least one individual's employment had not been end dated.
8. Other: []

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/26/2022

Domain: 08 Staff Files

Rule: 5101:2-12-10 Professional Development Requirements

Code: The program is required to ensure child care staff members, including substitutes used more than ninety days annually, obtain at least 6 hours of professional development each state fiscal year.

Finding: In review of the staff records, it was determined that at least one child care staff member did not meet the annual professional development requirement as noted in number 1 below:

1. The child care staff member(s) had not completed at least six hours of professional development.
2. Documentation did not demonstrate the person who provided the training met the trainer qualifications as stated in the rule.
3. Training topic did not meet the requirements listed in appendix A of this rule.
4. Documentation of training did not meet the requirements of this rule.
5. The substitute(s) had been used more than ninety days annually between July first and June thirtieth and had not completed at least six hours of professional development
6. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements

Code: The program staff is required to have educational verification on file at the program.

Finding: In review of the staff records, it was determined that verification of a high school education was not on file for Child Care Staff Member(s) listed on the Employee Record Chart, as required. Submit the program's corrective action plan, which includes a copy of the verification of a high school education, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/26/2022

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number 4.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
 - b. Results of a TB test for employees meeting both criteria in 4a;
 - c. Results of additional testing for employees with a positive TB test;
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
