

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5180:2-12-19 Supervision

Code: The program staff is required to protect or remove a child from a situation and/or person that are determined to be unsafe and keep children safe from a potential serious incident or injury.

Allegation: A child was not protected from harm when the child was able to climb on a stack of cots and fall off, causing injury which required medical follow-up.

Determination: Substantiated

Findings: During the inspection, it was determined the administrator, childcare staff, and/or employees of the program did not protect or remove a child from a situation and/or person determined to be unsafe, which resulted in a serious incident or injury to a child, as noted in number 5 below:

1. Aggressive argument involving adults;
2. Staff member(s) did not follow emergency exiting procedures;
3. Staff member(s) allowed child(ren) to do something unsafe;
4. Staff member(s) did something unsafe;
5. A toddler was permitted to climb on a stack of cots and fell off of them. As a result, the toddler sustained a fractured shoulder and a concussion.

All program employees must take actions to protect children in care. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule. Pursuant to section 5104.043 of the Revised Code, provide a written or electronic notice of the serious risk non-compliance (SRNC) to all parents of enrolled children within fifteen business days of receipt of the non-compliance. See Rule 2-12-3 D3(a-d) for a detail of the contents required in the notification letter to the parents.
