

Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Low Risk Non-Compliances

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-19 Supervision

Code: The program staff is required to supervise children in their assigned group by sight and hearing. Supervision includes being near enough to respond and reach children immediately including responding to the child's basic needs and protecting them from harm.

Finding: During the inspection, it was determined that children were not being properly supervised as noted in number 5 below:

1. Child(ren) were not within both sight and hearing of a child care staff member during indoor play.
2. Child(ren) were not within both sight and hearing of a child care staff member during outdoor play.
3. Child(ren) were not within both sight and hearing of a child care staff member more than once.
4. Staff were not physically present in the space and near enough to respond and reach the child(ren) immediately.
5. Children in the older toddler room were not within both sight and hearing while the teacher was in the attached restroom helping a toddler and could not see the entire classroom.

Children must be supervised according to rule and within both sight and hearing of a child care staff member at all times. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Domain: 01 Ratio & Supervision

Rule: 5101:2-12-18 Attendance Records

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the center for a period of one year.

Finding: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in number 2 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The original attendance documentation was not kept at the program for a period of one year.

Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 06/24/2022

Domain: 02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Sanitary Equipment and Environment

Code: The program is required to provide a clean and healthy environment.

Finding: During the inspection, it was determined that the following unsanitary conditions were at the program: the infant teacher did not have a step stool and draped an infant over the tall trash can so that they could reach the handwashing sink. A clean and healthy environment, including furniture, materials and equipment must be provided, and the program shall be cleaned daily. Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 05 Health & Safety

Rule: 5101:2-12-22 Meal and Snack Requirements

Code: The program is required to post the current weekly menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Finding: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number 6 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

Technical assistance was provided at the time of the inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is not required at this time.

Domain: 08 Staff Files

Rule: 5101:2-12-08 Medical Statement

Code: The program staff medicals are required to include all information.

Finding: In review of the staff records, it was determined that the medical statements for those employees listed on the Employee Record Chart did not include the required information listed below in number 3c.

1. Date of examination;
2. Signature, business address, and telephone number of the licensed physician, physician assistant, advanced practice nurse, certified midwife, or certified nurse practitioner who completed the examination;
3. A statement that verifies that the employee is:
 - a. Physically fit for employment in a program caring for children;
 - b. Immunized against Tetanus, Diphtheria, Pertussis (Tdap);
 - c. Immunized against Measles, Mumps, and Rubella (MMR);
4. Tuberculosis (TB) screening/test
 - a. Documentation of the screening process to determine if the employee resided in a country identified by the World Health Organization as having a high burden of TB and arrived in the United States within the five years preceding the date of application for employment;
 - b. Results of a TB test for employees meeting both criteria in 4a;
 - c. Results of additional testing for employees with a positive TB test;
 - d. Written statement, signed by a representative of the TB control unit, that the employee's TB is no longer infectious or the individual is receiving a TB treatment regimen for employees with a positive TB test.

Submit the program's corrective action plan, which includes a copy of the completed employee medical statement, or TB results/documentation, to the Department to verify compliance with the requirements of this rule.
