

## Family Child Care Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

### Summary of Non-Compliances

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

#### Serious Risk Non-Compliances

**No Serious Risk Non-Compliances were observed during this inspection**

#### Moderate Risk Non-Compliances

##### **Domain: 04 Indoor/Outdoor Space**

Rule: 5101:2-13-11 Outdoor Space

Code: The program is required to have an outdoor play space free from immediate risk.

Findings: During the inspection, it was determined that an area was used which was not protected from traffic and other hazards by a continuous fence in good condition, or natural barrier, that ensured children were not able to leave the playground area. The fence or natural barrier was determined to present an immediate risk for a child to be able to leave the playground as noted in number 1 below:

1. The fence, natural barrier, or combination of fence and natural barrier was not continuous.
2. The fencing had missing slat boards through which children could leave the playground.
3. The gate was broken and did not close.
4. The latch on the gate was broken.
5. The gate had no latch.
6. The fencing was broken.
7. The latch was easily opened by children on the playground.
8. The latch was not engaged to prevent children from opening the gate.
9. The portable fencing approved for use by the Department was not being used.
10. Other [ ].

Discontinue use of the playground and provide a space for outdoor play which is well defined by a continuous fence or natural barrier and protected from other hazards. Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

#### Domain: 01 Ratio & Supervision

Rule: 5101:2-13-18 Attendance

Code: The program is required to maintain a record of the arrival and departure of each child. The program is also required to retain the original attendance record at the program for a period of one year.

Findings: During the inspection, it was determined the program did not meet the requirements for keeping an attendance record as listed in numbers 2 and 3 below:

1. No attendance record was being maintained.
2. The attendance record was not being consistently completed.
3. The record did not include the name of at least one child.
4. The record did not include the birth date of at least one child.
5. The record did not include the assigned group.
6. The record did not include the child's weekly schedule.
7. The record did not include the time (hours and minutes) of each child's arrival and departure to the program, including transportation by the program.
8. The original attendance record was not kept at the program for a period of one year.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Code: The program staff and residents are required to wash their hands at the appropriate times as outlined in rule.

Findings: During the inspection, it was determined the handwashing requirements were not being followed by a child in that handwashing isn't done prior to leaving the daycare. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/21/2024

#### **Domain: 02 Safe & Sanitary Environment**

Rule: 5101:2-13-12 Pets

Code: The program is required to properly care for pets and prevent any threat to the safety or health of the children by the pet.

Findings: During the inspection, it was determined pets at the program were not properly housed or cared for or posed a threat to the safety or health of the children as noted in number 6 below:

1. The animal's cage was dirty with feces.
2. The aquarium was unclean.
3. The litter box was dirty with feces.
4. A pet posed a threat to the safety of a child in that [ ].
5. A pet requiring a license did not have a current license.
6. Proper inoculation records were not on file at the program for a pet requiring inoculations.
7. Children were exposed to the pet's urine and/or feces.
8. Other [ ].

A pet that poses a threat to the children shall not be at the program. All pets at the program must receive proper care and housing. Submit the program's corrective action plan to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 03/21/2024

#### **Domain: 05 Health & Safety**

Rule: 5101:2-13-22 Meals and Snacks

Code: The program is required to post the current menu in a noticeable location that is accessible to parents and note any substitutions at the time of the change.

Findings: During the inspection, it was determined that the program's weekly menu did not meet the requirement as noted in number 5 below.

1. The menu was not posted.
2. The posted menu was not in a visible place readily accessible to parents.
3. The menu was not currently dated.
4. The entire menu was substituted.
5. At least one item on menu did not match what was served.
6. The meal or snack served did not match the posted menu.

Submit the program's corrective action plan to verify compliance with the requirement of the rule.
