

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

No Complaints were observed during this inspection.

Domain:05 Health & Safety

Rule: 5101:2-12-16 Management of Communicable Disease

Code: The program is required to identify and respond to communicable diseases.

Findings: During the inspection, it was determined the program did not meet the requirements for responding to a communicable disease as noted in number 2 below.

1. The program did not follow the instructions on the JFS 08087 "Ohio Communicable Disease Chart".
2. The program did not report a communicable disease that is required to be reported to the local health department to ODJFS in OCLQS by the end of the next business day in that the first case of HFM was determined to have occurred on 6.12.23. The local health department was not notified of an outbreak of HFM until 6.26.23.

Technical assistance was provided at the time of inspection, and as discussed, please correct this rule noncompliance. A written response for this rule noncompliance is required at this time.
