

## Center Licensing Inspection Full Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

**Summary of Non-Compliances**

*If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.*

**Serious Risk Non-Compliances**

**No Serious Risk Non-Compliances were observed during this inspection**

**Moderate Risk Non-Compliances**

**Domain: 08 Staff Files**

Rule: 5101:2-12-09 Background Check Requirements  
Code: The program is required to have all staff request background checks as required and receive a JFS 01176 or preliminary approval from ODJFS prior to allowing an individual to engage in assigned duties or be near children.

Finding: In review of the staff records, it was determined that background checks did not meet the requirements of the rule for the person(s) listed on the Employee Record Chart as noted in number 4 below:

1. The request for a background check for child care was not submitted in the OPR.
2. The fingerprints were not submitted electronically according to the process established by BCI.
3. The individual(s) had engaged in assigned duties or were near children and preliminary approval from ODJFS was not on file.
4. Background checks were not updated every five years.

Submit the program's corrective action plan, which includes a copy of the JFS 01176, or a copy of the preliminary approval or a statement that the individual(s) are no longer engaged in assigned duties and are not near children until the preliminary approval has been received, to the Department to verify compliance with the requirements of this rule.

### Low Risk Non-Compliances

Domain: 05 Health & Safety

**Rule: 5101:2-12-16 Emergency Drills**

**Code:** The program is required to complete fire drills, weather drills, and emergency/lockdown drills appropriately.

**Finding:** During the inspection, it was determined that the required drills were not completed for item number 3 below:

1. Monthly fire drills.
2. Monthly weather emergency drills (March through September).
3. Emergency/lockdown drills in each quarter of the calendar year (drills completed but not documented).

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

**Rule: 5101:2-12-08 Child Care Staff Member Educational Requirements**

**Code:** The program staff is required to have education documentation translated and shown as equivalent to a high school education.

**Finding:** In review of the staff records, it was determined that the child care staff member listed on the Employee Record Chart had educational information on file that could not be verified as recognized by the state board of education or the appropriate agency of another state or country as equivalent to the completion of a high school education. The rule requires a child care staff member to provide evidence of the completion of a high school education. Submit the program's corrective action plan, which includes a copy of the educational information and/or equivalency report, to the Department to verify compliance with the requirements of this rule.

**Domain: 09 Children's Files**

**Rule: 5101:2-12-25 Medication Administration**

**Code:** The program is required to remove all medication, medical foods and topical products that are no longer being administered or have expired. The program is also required to maintain current documentation to administer medications, medical foods and topical products.

**Finding:** During the inspection, it was determined that two emergency medications did not meet the requirements for administering medication, medical foods, and/or medical products as noted in numbers 2 below:

1. The medication, medical food, or topical product was no longer needed and had not been removed from the program.
2. The medication, medical food, or topical product had expired and had not been removed from the program.
3. The prescription label had expired.

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.
