

Center Complaint Inspection Summary Report

All licensed child care programs are inspected at least once each year. Non-compliances are documented and grouped as Serious, Moderate or Low risk violations. Documenting statements and supplemental information may be included in this report. Licensing inspection reports from the previous three years can be viewed on the child care website at <http://jfs.ohio.gov/CDC/childcare.stm>. This includes complaint investigation reports with substantiated allegations. For any other child care records, please contact the Child Care Help Desk at 1-877-302-2347, option 4.

Complaint Allegations

If a program disagrees with a licensing finding, the program may request a review of the finding(s). Ohio Administrative Code 5101:2-12-03 and 5101:2-13-03 detail the process for submitting a request for review. The request for review must be submitted within seven business days from the receipt of the licensing report. In addition, if the program is star rated, the rating may be impacted if a serious or moderate risk non-compliance is cited.

Domain:01 Ratio & Supervision

Rule: 5101:2-12-19 Child Guidance

Code: The program staff shall use developmentally appropriate techniques when managing children's behavior. Corporal punishment is prohibited, as well as any cruel, harsh, unusual or extreme techniques.

Allegation: A child care staff member has been observed to use physical discipline with the children.

Determination: Substantiated

Findings: During the inspection, it was determined that a Child Care Staff Member had used inappropriate techniques when managing unacceptable behavior in children. A child care staff member used corporal punishment with children. This child care staff member is no longer employed at the center. Child Care Staff Members and other employees must always use appropriate guidance and management methods with children. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Risk Level: Moderate

Summary of Additional Non-Compliances

Serious Risk Non-Compliances

No Additional Serious Risk Non-Compliances were observed during this inspection

Moderate Risk Non-Compliances

Domain:01 Ratio & Supervision

Rule: 5101:2-12-18 Ratio

Code: The program is required to maintain the appropriate staff to child ratio for each group served.

Findings: During the inspection, a ratio of one (1) child care staff member for seven (7) children was determined to have occurred for Room 3, 12 months to 18 months, when the situation in number 1 below occurred:

1. A child care staff member stepped out of the room.
2. A child care staff member had not arrived at work on time.
3. Children were present who were not scheduled to be there.
4. A child care staff member was unable to work.
5. A child was injured in that group.
6. A child arrived in the group before a second staff member was scheduled to arrive with the group.
7. Two groups were combined, and the program did not follow the ratio for the youngest child in the group.
8. A child was transitioning to the next older age group, and the program did not follow the ratio for the youngest child in the group.
9. Ratio was doubled for more than two hours while children were napping.
10. Ratio was doubled while children were napping for a group that included at least one infant.
11. Ratio was doubled while children were napping and there were not enough staff members in the building to meet staff/child ratio.
12. Ratio was doubled in the school age group to allow access to the program, however, the program does not serve only school age children.
13. Both child care staff members did not have a working communication device when one staff member left the group to allow access to the school age only program.
14. The child care staff member did not return to the group after allowing access to the school age only program.
15. Other [].

Additional child care staff members must be hired or current child care staff members must be rescheduled to maintain compliance. Provide staff training. Submit the program's corrective action plan, which includes a statement that training was provided, to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/09/2022

Low Risk Non-Compliances

Domain:02 Safe & Sanitary Environment

Rule: 5101:2-12-13 Handwashing Requirements

Code: The program is required to have all staff wash their hands as outlined in rule.

Findings: During the inspection, it was determined that at least one staff member with the 24 month to 30 month old group, Room 5, did not wash his or her hands at the time listed in number 6 (after wiping children's noses) below, as required in rule.

1. Upon arrival for the day.
2. Prior to departure.
3. Upon entry into a classroom.
4. After toileting or assisting a child with toileting.
5. After each diaper change or pull-up change.
6. After contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
7. After cleaning or sanitizing or using any chemical products.
8. After handling pets, pet cages or other pet objects that have come in contact with the pet.
9. Before eating, serving or preparing food or bottles or feeding a child.

10. Before and after completing a medical procedure or administering medication.
11. When visibly soiled (must use soap and water).
12. Other [].

Submit the program's corrective action plan to the Department to verify compliance with the requirements of this rule.

Corrective Action Plan Due: 12/09/2022
